

Planners Deny Subdivision In Centerville Industrial Site

Supes Rapped For 'Hiding' Zone Map

Why did County Supervisors "sneak" Centerville's zoning map into a Hayward newspaper?

Centerville Chamber of Commerce members demanded the answer Monday in a strongly worded letter to the Supervisors.

By resolution, the chamber asked why the zoning map, adopted late in September, was given circulation only in the out-of-Township newspaper, and not locally.

Secretary LeRoy Brown was instructed to seek an answer from the Supervisors.

Editor Stuart Nixon of the NEWS-REGISTER said he had inquired the reason for the Hayward publication on October 5. He said he had contacted the office of Harold Schulze, clerk of the Board of Supervisors, asking for an explanation, but that none had been given.

Several members commented that the zoning map "is of vital interest" to property owners and others here, so that they may know how their land is zoned.

Of nearly thirty Centerville members present at Monday's luncheon, only two said they had seen the map.

Protective zoning for Centerville was granted as an "emergency" measure by the Supervisors last month after public meetings, hearings and controversies extending over several years.

Stabbing Ends Hillview Feud

A neighborhood quarrel sent one resident of Hillview Crest to the hospital with a knife wound Saturday and landed a second man briefly in jail.

Victim of the alleged stabbing, Swannee Glaze, 1385 Schuyler, now recovering from a life slash in his right arm which severed an artery. Held, then released when Glaze refused to sign a complaint was Theodore Barbee, 40, 1377 Schuyler Ave.

Investigating deputies reported the Barbee and Glaze children had been quarreling, and their fathers took over the feud on Saturday. Barbee told them, they said, that he went to his car and got a hunting knife.

When he returned, Barbee said, Glaze attacked him with a hoe and he defended himself.

Deputy Orren Strand said when he answered a call to the scene, he found Barbee giving first-aid to Glaze, who was bleeding profusely.

Fatal Truck - Car Crash On 'Death Curve' Near Irvington

A northbound car smashed into a giant truck and trailer of manure on Highway 17 between Irvington and Warm Springs at midnight Tuesday, and the car's driver was decapitated.

The Alameda County Highway Patrol said the auto was driven by N. E. Dukes, 48, Oakland waiter. His body was taken to Chapel of the Palms, then removed to an Oakland mortuary.

Truck Driver Vernon Jones, 26, of Niles, was uninjured, but his cargo caught fire following the accident, and Jones leaped from the vehicle before it exploded.

Irvington volunteer firemen battled the flames for nearly

Chamber Wins Over Builder

A 150-home "minimum cost" subdivision in one of Centerville's few remaining industrial areas was denied Monday by the County Planning Commission.

Over protest of Commissioner George Dugan Jr., the application of Kroll Builders was rejected. Kroll had asked to build the 150 homes on 30 acres located between the Visking Plant, the Booth Cannery, Central and Baine Avenues. The area recently was zoned for industry.

The Chamber of Commerce representatives, railroad spokesmen, and members of the Land Development Committee spoke against the proposal. They said it would place homes in a prime industrial area, thus denying it to factories, and depriving Centerville of millions in potential taxes. The chamber went on record against the tract when it was first requested several months ago.

However an attorney and a real estate agent for Kroll argued long and hotly for the petition for rezoning, and Commissioner Dugan took their part.

Said he: The county is "morally obligated" to grant the Kroll request, since the commission already has recommended an ordinance protecting builders against zoning restrictions if their tract maps were filed before zoning went into effect.

Planning staff members then pointed out that this was meant to apply only to lot sizes, and not to uses of land, as in the Kroll case.

Dugan persisted, but his motion to grant the application died for want of a second. Commissioner Fred Melman was absent.

In other matters pertaining to Centerville, the commission (1) granted a medical clinic application on Fremont Avenue, east of the County Building, to Dr. Richard Delfs, and (2) denied a similar application to H. C. Mohr opposite the Centerville School.

Hit By Truck In Centerville Street

Tiboreo Calaoagan, 43, Centerville ranch worker, suffered a fractured leg last Thursday morning when he was struck by a pickup truck on South Main Street.

Calaoagan was hit by a vehicle driven by Robert Gutierrez, 16, 600 "P" Street, Decoto, as he attempted to cross the street. The victim was treated at Fairmont emergency ward, and then transferred to Veterans Hospital, Oakland.

Free Eye Test In Niles Today

Free eye examinations will be given today in Niles by Community Vision Services, sponsored by East Bay optometrists.

A 30-foot trailer will be parked at the town flagpole to give the tests to those who desire them, says Dr. D. G. Ewell, optometrist, in charge.

Schools Count 6324 Pupils This Week

School enrollments in Washington Township neared the 7000 mark today, with 6924 in classes.

Administrations of nine elementary districts, Washington Hi., and St. Mary of the Palms made the reports.

It was an increase of more than 400 since school opened September 7, and nearly 1000 more than when classes started in 1953.

Washington Hi. logged 1209 students Tuesday, according to Supt. J. V. Gould. This was just 100 more than opening day.

The grammar school district totals ran:

Alvarado	270
Alviso	95
Centerville	897
Decoto	1532
Irvington	540
Mission San Jose	401
Newark	929
Niles	728
Warm Springs	103
St. Mary's	210

Double sessions were in force at Irvington and Centerville, from kindergarten through the third grade at Decoto, Niles, and Mission San Jose; and through the fourth grade at Newark.

Decoto, where total enrollment was up 200 over opening day, had 486 in the Hillview Crest School, 617 at Decoto School, and 429 at Barnard, which takes only upper grades.

In Centerville, 464 primary graders were at Allen G. Norris School on Thornton Avenue, while 433 of their older brothers and sisters were studying at the Main Street school.

Farmer Poll Holds Fate of Soito Well Revival

An informal poll to see whether Newark farmers object to renewed pumping at the controversial Soito Well will be conducted this week at the behest of Alameda County Water District directors.

Matt Whitfield Jr., district manager, was told to make the survey after discussion of the issue was revived at last week's directors' meeting.

Directors Manuel Bernardo and Louis Amaral demurred, but Directors W. D. Patterson and Jack Prouty advocated using the well again. They pointed out (1) farmers aren't irrigating now and their operations can't be affected by district pumping, and (2) use of the well saves \$1000 a month in cost of Hetch-Hetchy water.

Chairman E. M. Grimmer cast the deciding vote, suggesting that since wet weather has come, so-called "over-pumping" is not an issue.

However he told Whitfield to poll the protesting farmers first.

A farmer injunction against the well has been dropped.

WUHS Tax Wins By 587 Votes

First Crusade Industry Report: \$13,314 Raised By Dozen Firms In Washington Township

A bare dozen industries in Washington Township have raised \$13,314 for the United Crusade, Commerce and Ind-

try Chairman Gordon Dubuque reported today.

Dubuque said many more firms are to be heard from,

including such giants as Pacific States Steel and American Forge Co. He predicted the 1954 industrial total "will far exceed" last year's \$18,000.

Largest single gift was from the management of Leslie Salt Co., said the chairman. The firm gave \$2200, and employees \$400.

First "hundred-percent" firm was Kraftite, of Niles. Employees joined wholeheartedly in the Crusade to the tune of \$1100. This was matched by \$1100 from Kraftite itself.

Other large donors: Westvaco \$1000; Kimber Farm, \$553, and \$2349 from employees; Orangeburg Manufacturing, \$500 and \$262, marking donations from 99 per cent of its workers.

E. J. Lavino & Co., \$150 and \$100 from workers; L. S. Williams Co., \$200; Morton Salt, \$750; Wedgewood Division of Rheem Mfg., \$500; Visking Corp. \$150; Holly Sugar employees \$300; U. S. Pipe & Foundry, \$350 and \$647 from employees; Harbison-Walker Co., \$100.

Residential solicitation started this week under leadership of Mrs. Byrde Duffey. Nearly 200 workers made house-to-house calls. Homeowners who gave where they worked were not asked for duplicate donations.

Safety Laws May Cost CC's Dear For Yule Lights

Several Township communities face heavy expenses to bring their Christmas lights up to new State safety standards.

This information was relayed to chambers of commerce during the week by Peter D. Juhl, PG&E manager here.

Juhl explained the State Public Utilities Commission has tightened safety regulations on street lighting.

"About all we'll be able to use from the old strings are the sockets," commented Harry Weber, chairman of Centerville's Yule light committee.

With this in mind, the Centerville chamber agreed to table the offer of a San Francisco commercial decorator to install tinsel garlands and other street decorations this year until it is determined how much renovating the lights will cost.

CRUSADERS—Dr. John Austin shows how Township "thermometer" at County Building will chronicle progress of United Crusade here. Eager workers for the drive are (center) Mrs. Frederick Ludden, Cerritos Ave., Centerville; and Mrs. Arthur Karlstedt, 278 Goodrich Way, Niles, officials of the Township Junior Women's Club, which is handling the Centerville residential campaign. Dr. Austin represents the Junior Chamber of Commerce, which erected the sign.

(NEWS-REGISTER Photo)

Water District Warned Bonds Needed To Continue Service

Water District directors were told last week they face a million-dollar-plus bond issue to keep abreast of Township water requirements.

District Engineer Thaddeus C. Binkley also warned a formal policy is needed on annexations, and on whether water pumped on one side of the earthquake "fault-line" barrier between Irvington and Niles can be used on the other side.

Binkley said he will report at next Wednesday's meeting on what he considers to be minimum requirements.

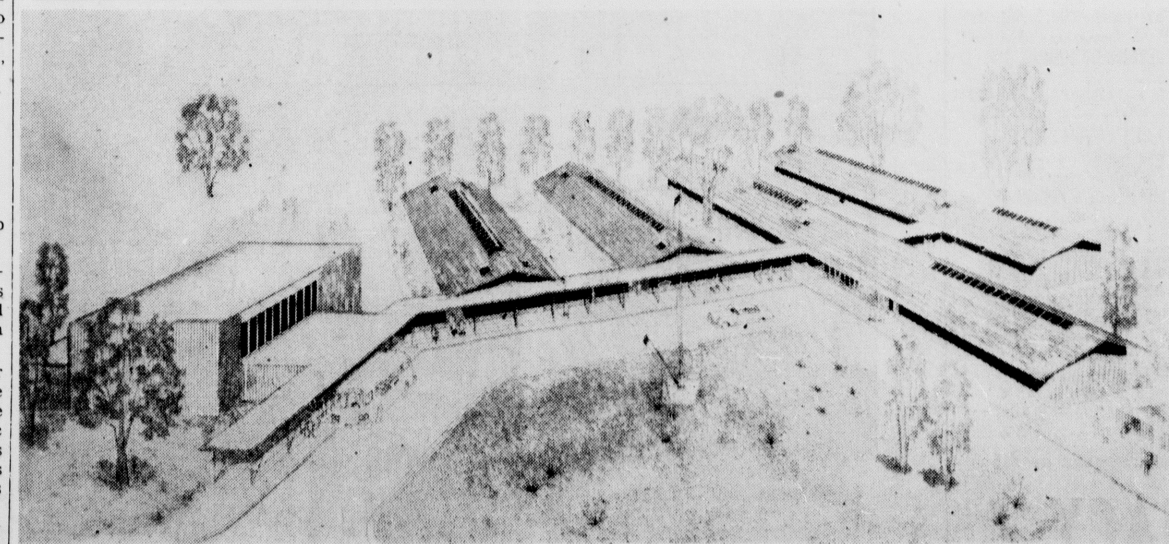

"Good planning for districts like yours requires a day and a half's water storage on hand," the engineer asserted. "You

have about half an hour's."

The annexation issue arose again when an attorney for a subdivider asked whether service will be provided for Warm Springs. No decision was reached, but several directors indicated they prefer to see the entire area annexed, rather than single tracts.

NEWARK INTERMEDIATE SCHOOL—Plans for 22 classrooms to be ready for the opening of school in September, 1955, were announced by the Newark Board of Trustees at their last regular meeting. Final approval for the first unit of the school will be sought at the next meeting of the State Allocation Board in

Sacramento on October 27. Construction of 12 classrooms, offices, domestic science room, teachers room, and additional facilities will begin shortly thereafter. According to Supt. Jack MacGregor, rapid building of homes in the area will qualify the school district for an additional 10 classrooms.

School Will Lease Extra Bus

A 50-cent increase in the Washington Union High School District tax was successful by a wide margin in an election Tuesday.

The vote was 1,773 for the tax, and 1,186 against it. The tax will not go into effect until next year. It raises the operating levy for the district from 75 cents, where it has been since 1946, to \$1.25 per \$100 assessed valuation.

It was the second try district trustees had made in five months. Last May an identical attempt was defeated by slightly more than 100 votes.

District Supt. J. V. Gould hailed the victory Tuesday night, and said it will enable Washington Union High School to give adequate care to an estimated 1,600 students next fall. The school now has 1,209 students.

Gould said his first move will be to lease another bus on the strength of the victory because present bus facilities are heavily overtaxed.

By town, the vote ran:

	YES	NO
Alvarado	85	76
Alviso	40	78
Centerville	408	207
Decoto (D)	72	106
(B)	29	42
(HV)	116	49

Carithers V.P. Of Cattlemen

Dale Carithers, Mission San Jose rancher, was elected vice president of American Hereford Association at a meeting in Kansas City on Monday.

J. H. Cunningham of Virginia was elected president at the annual gathering.

Carithers, who operates the Mission Hereford Ranch, has been active for years in the association. He also is widely known through his work in Alameda County agricultural organizations.

Appraiser Hugo T. Correll said the heirs will have to divide payment of a total state inheritance tax of \$105,263.

Irvington Sees Newark 'City' As Threat To PG&E Plant

Irvington this week revived its determination to keep Newark from chipping off any of its valuable industrial property.

Pointing out that Newark has declared its intent to incorporate to the limits of its fire district, and that the Newark Fire Department runs to the edge of the PG&E substation, Jack Prouty declared:

"We have to protect ourselves. We can't let Newark take two-thirds of our assessed valuation." The PG&E plant is assessed at more than \$4,000,000.

Prouty pointed out that the valuable plant was annexed to the Irvington School District by petition of only 29 residents on the PG&E site. He urged the sparsely-settled area "could be subsidized again—to join Newark—if Newark becomes a city first."

Said Gus Robertson: "If the PG&E substation is annexed to Newark after incorporation of that city, our school taxes at Irvington would be double."

This showed the necessity of five delegates attending the incorporation meeting at the high school Oct. 29th, said President A. E. Alameda. The committee comprises:

Knight Pledges Help For Freeway

Governor Goodwin Knight told a NEWS-REGISTER representative Monday he personally will push completion of the Eastshore Freeway.

"I will bend every effort to see that the Freeway is finished at the earliest date possible," said Knight following a meeting in Villa Lorenzo.

"I have been on the ground and seen the growth here," declared the Governor. "We are spending highway funds at the rate of a million dollars a day. It is only right that this area be served by the Freeway."

May Estate Appraisal Is \$1,443,561

Partial inventory of the estate of the late Mrs. Jeannette Decoto May this week disclosed the widow of the Pioneer Banker August May left \$1,443,561.

Mrs. May died March 4, at her home, 974 Vallejo St., Alvarado. She was the daughter of the founder of Decoto.

The estate, filed by executor J. Marcus Harin, consists of \$144,000 in bank deposits, stocks and bonds, plus land in Alvarado and Decoto. Largest property is a 264-acre ranch at Dry Creek, near Decoto.

Mrs. May in her will dated December 7, 1951, left her estate equally to four heirs: her brothers, Peter L. Decoto of Alvarado, and Louis A. Decoto, Piedmont; a niece, Mrs. Victoria Palmer O'Hara of La Jolla; and her sister-in-law, Mrs. Gladys L. Decoto, widow of Mrs. May's brother, the late Superior Judge Ezra Decoto.

Appraiser Hugo T. Correll said the heirs will have to divide payment of a total state inheritance tax of \$105,263.

Irvington Sees Newark 'City' As Threat To PG&E Plant

Jack Prouty, Wally Pond, Allan Hirsch, Bill Humpert and Walt Connolly.

The welcoming committee is named as Carl Christensen, Dr. Grimmer and Ernest Vayssie.

The Treasurer's report showed A. E. Alameda was a go-getter for new members. The receipts of \$646 after expenses of printing, literature, etc., and other expenses was around \$200 and with \$200 earmarked for Christmas for the school, it still leaves \$230.

Allan Hirsch reported on the project of widening Durham Rd. Another approach to Durham Rd. from Highway 17 is needed.

On November 2nd the manager of the telephone company, Doug Smith of Hayward, will show plans for the new \$300,000 telephone building for Irvington.

Next meeting, Tuesday, Oct. 26, will be at night at Roethlins. Jess M. Ritchie, candidate for Congress, was introduced. He received a nice welcome.

NEW MSJ TRACT

Application to build another 43 homes just west of the first 50 homes he built in Mission San Jose on Irvington Road, has been filed with the County by Builder Richard Lincoln.

ROBERT N. SCOTT OF NEWARK TAKES MAXINE ROBBINS AS BRIDE IN STOCKTON

Nuptial ceremonies performed in the First Congregational Church of Stockton on September 21 joined in matrimony Maxine Robbins, daughter of William Robbins of Auburn, and Robert N. Scott, son of Mr. and Mrs. S. G. Scott of Newark. The groom is a graduate of Washington High and San Jose State and is employed as a cab technician at Westvaco. The bride was honored at a post-nuptial shower given at

Calvin Hall last Friday night by the Mary Floribelle Circle. Gena Barks and Norma Willburn were the co-hostesses.

Showering the new Mrs. Scott with lovely gifts were: Annie Cotton, Maude Grace, Marjorie Callow, Lillian Lloyd, Esther Tonner, Annie Kious, Anna Fyffe, Elizabeth Rice, Mabel Callon, Marjorie Cotton, Janice Barks, Fran O'Mara, Sadie Smyrl, Alma Benson, Edwina Harrison, Emma Blacow, Mabel Wright, Lesda Brown, Edith Ross, Lillian Low, Thelma Brake, Gladys Hersey, Ruth Foster, Ethel Auchard, Meta Popst, Vinna Pool, Roberta Kious, Evangeline Muller, Dorothy Scott.

C'ville Girl Scouts On Cinerama Trip

Centerville Girl Scout Troop 259 viewed Cinerama at the Orpheum Theatre in San Francisco last Saturday.

The girls were accompanied by Mrs. Thomas Brooks, leader, and Mrs. Tom Maloney, neighborhood commissioner for Centerville.

The Troop completed a service activity by making bean bags for the classes at the Allen G. Norris School, Centerville.

Job's Daughters Set Charter Night Nov. 6

Following a charter inspection visit from Mrs. Gladys Christensen, Deputy Grand Guardian of District No. 5, the Bethel UD of Job's Daughters set Saturday, November 6 for charter night.

Last Saturday Junior Princess, Pat Nyback led the Job's Daughters on a "mystery" trip. The Job's Daughters and DeMolay held a joint meeting Monday at the Bethel in Centerville.

Six new members were initiated into Job's Daughters recently. They included: Judith M. Croop, Barbara Joan Clark, Nancy Ann Thornburg, Judy Mae Griffith, Melva Lucille Brooks and Sherrill Ann Stierwalt.

Country Club Will Present Play Nov. 12

First Ways and Means project of the Country Club of Washington Township has been planned for November 12 at 8:30 in the evening, at the Clubhouse in Parish Ave., Centerville.

This is to be the first activity towards a building fund for a new Clubhouse, which was adopted as part of the Club budget at its first business meeting of the year, October 5.

Plans for the evening are a 'Kitchen' orchestra, an excellent baritone soloist, a one-act comedy and refreshments. Rehearsals for the play have been under way for several weeks. The cast is to be Mmes. Irene Huddleson, Margot Harvey, Violet Kline, Alberta Hirsch, Louise Clark, Margaret Chadbourne, Frances MacGregor, Pat Hill and Hester Thomas. Township people are due for a rich comedy and perhaps surprise at the thespian abilities of these players.

Tickets may be obtained from Mmes. Ruby Harvey, who is general chairman of tickets, Mabel Oaks, Florence Myrick, Evangeline Muller and Margaret Humpert. Only the seating capacity of the Clubhouse will be sold, and no tickets will be sold at the door.

NOW PLAYING ENDS SAT.

DIANE MENTO WEDS DANIEL FILICE AT CENTERVILLE RITES LAST WEEK

Nearly four hundred friends and relatives crowded the Church of the Holy Ghost Saturday morning to witness the marriage of Diane Mento, daughter of Mr. and Mrs. Merwin R. Mento, 332 Glenmoor Court, to Daniel M. Filice, son of Mr. and Mrs. Michael Filice of Campbell.

The bride wore an original Blanche Cusack gown of imported Belgian lace over tulle and satin. She was lovely in the closely-fitted creation with a high neckline, tiny buttons from neck to waist. The v-shaping at the waist in the back was repeated in lace of the flowing skirt. She wore a cathedral-length train and finger-tip veil cascading from a coronet-shaped cap of net, pearls, and white velvet flowers. She carried a white satin basket filled with white roses.

The maid of honor, Mrs. Myles Cunningham of San Leandro, was gown in rose-red tulle overskirted with lace. Miss Barbara Bell, Miss Dolores Sousa, Mrs. Bryan Radecke, and Mrs. William Paquette, serving as bridesmaids, wore spray-blue tulle gowns covered with lace. All of the attendants wore matching lace, and colored tulle caps, lace and net mitts, and carried white baskets filled with American Beauty roses.

Judy Aileen Mento as flower-girl wore a lace and net gown over pink satin, a tiny lace and net cap, and carried a small basket with baby red rosebuds. She was accompanied by Master Randy Witt from Oakland.

Mrs. Mento, mother of the bride, wore a cocoa lace gown over champagne taffeta. Her hat was of matching sequins. Her other accessories matched the black velvet trim of her dress. Rare pink orchids further graced her costume. Mrs. Filice, mother of the groom, was attired in a mauve lace dress, navy blue stole and hat. She wore huge white, purple-throated orchids.

Attending the groom were his brother, James Felice, best man; Stephen Mento, brother of the bride; Elmo Ferrari, Albert Ferrari, and Richard Ferrari. Father Vincent Breen performed the ceremony. Mrs. Felice Bettencourt Scott sang, and the organist was Miss Patricia Spread.

Immediately following the ceremony the bridal party retired to the Mento home in Glenmoor Court, for brunch.

More than 300 guests greeted the bride and groom at the Castlewood Country Club, Pleasanton, at a reception and dinner from 1 to 4:30 the afternoon of the wedding.

The bride attended the College of the Holy Name in Oakland where she was a member of the Alpha Phi Mu sorority. She plans to resume her teaching position at Franklin School in San Jose on her return from a two-week honeymoon in Southern California.

The groom attended San Jose College and is presently employed as a radio technician in the Communication Department of Santa Clara County.

About November 1 the couple will take up residence in an apartment in San Jose pending completion of their new home.

Following rehearsal of the wedding Wednesday night, a party was held at the Mento home to honor the attendants. The bride and groom presented gifts to their attendants. A special frozen dessert was prepared for the occasion by Mrs. Peter Ward.

—By Sarah Jane Phillips.

Clove trees usually begin to bear in the seventh year and may continue to do so for as long as one hundred years.

Beumers Honored On 50th Anniversary

Flowers and well-wishing cards from friends and relatives bedecked the home of Mr. and Mrs. John Beumer, Sr., 274 Cabrillo Drive, as the celebrated their Golden Wedding Anniversary Wednesday, October 13.

An open house to honor the couple was held Sunday, October 17, at the home of Mr. and Mrs. John Beumer, Jr., 443 Norris Road. Eighty guests were invited. Mrs. John Beumer Jr. was assisted by the daughter of the honoree, Mrs. Gerben Miedema. Mrs. Miedema has been visiting her parents from Spokane, Washington, for the past week.

Other children of the couple are Mr. Jacobus Beumer of Oakland and Mrs. Rien Woudstra of Royal Oak, Michigan. Mrs. Louis Roe, Mrs. Beumer's sister, made the trip from Santa Barbara for the occasion. The Beumers came to the United States from the Netherlands about thirty years ago. They originally settled in Michigan and came to the West Coast a year and a half ago.

Nurses Honored By Sanatorium

Members of the nursing staff of Mission Road Sanatorium and their families were honored at a dinner last week.

Hosts were Dr. and Mrs. Joseph B. Enos, owners of the establishment. The dinner is an annual affair marking National Nurse Week.

Guests included Head Housekeeper Louise Briar and her husband, Nurses Anna Montgomery, Gladys Hindmarsh, Alma Welch, Irma Martinez, Sadie Griffin, Winifred Hempel, and their spouses; Nurses Iva Dillas, Marie Salaski and Nina Stedman; Warren and Cord Enos. The affair also marked the fourth anniversary of the sanatorium.

Jose de Soto Dies

Jose de Soto, 83, a resident of Decoto for over 30 years, died at his home, 301 Third Street, on Monday.

He was the husband of Ellie Josephine de Soto; father of Mrs. Marie Ruiz of San Francisco, Mrs. Frances Baumister of Sunnyvale and John F. Soto of Decoto. He also leaves several grandchildren and great-grandchildren. He was a native of Puerto Rico and a retired farmer.

Sq. Dancers In Masquerade

Centerville Elementary School was the scene Tuesday evening, October 12, of a Halloween Masquerade Dance given by the Township Twirlers Square-Dance Club.

Prizewinner for the best lady's costume was Mrs. Bert Jensen while Bill Adcock took top honors for the best gent's costume. Judges were Mr. and Mrs. Raymond Rodriguez, Jr., and Mr. and Mrs. Glenn Camper.

Guests welcomed included members of the Knollite Shufflers, Stanton Stompers and Garden Swingers Square-Dance Clubs. Caller Ronnie Griffith was assisted by guest callers Bill Theede and Harry Mann. Emery Peters extends an invitation to Township square dancers to visit the club, which meets at Centerville Elementary School each Tuesday from 8:00 to 10:30 p.m.

Witches, Goblins Parade In Newark

It will be a "safe-and-sane" Halloween for Newark youngsters with activities planned for every age group on Saturday, October 30.

A group of interested adults ironed out final plans for the day at a meeting held at the school on Monday night. Some changes in the original planned activities were made as safety measures without detracting from the participants' enjoyment.

A costume parade for pre-school through fourth grade children will start at the school at 2 p.m. and will be confined to the school grounds. Following the parade, the children will be separated into groups for "treats and parties" under the guidance of teachers and room mothers with other parental help. If it is raining as late as 12:30 this activity will be cancelled.

The 5th, 6th and 7th grades will be encouraged to wear costumes (it won't be mandatory) to the school for their activities in the evening from 6 to 8. There will be dancing, games and treats for them with teachers and room mothers supervising.

Parry Protest To Fire Commission Goes Unheeded

Niles Fire Commissioners last week once more declined to heed the warnings of their perennial "watch dog", Jack Parry.

Parry reported "sub-standard" 4-inch water line is being installed in a new tract under construction. He suggested that the fire district offer to pay difference in cost between a 4- and 6-inch line, "in order to assure an adequate pipeline, conforming to Board of Fire Underwriters regulations".

Commissioners replied that since the 4-inch line involves "only one hydrant," they felt the matter was unimportant, and that to underwrite the cost of a larger line would be "a foolish expenditure of district money".

Commissioners then discussed maintenance of hydrants with a "free water" tract in Ellsworth Orchard, and recommended that the Alameda County Water district be asked to recondition hydrants there.

Fire Chief Joe Perry reported that existing hydrants in the Ellsworth tract are in poor repair.

Cityhood 'Out' For Newark 'til '56, Says Expert; Industries Ask To Join In Citizens' Study

By GENE CARROLL

It is not possible to get under the wire for Newark Cityhood by next year, the Citizens Incorporation Study Committee was told in Newark last Friday.

The speaker, Elwood Ennis, from Louis J. Kroeger and Associates of San Francisco, said it would take "six to nine months to incorporate" and that it is "important to residents and industry alike to first look at all the facets of incorporation".

"When you get this far, you plan your study to bring out all the facts and decide on a level of service," Ennis declared. Then he added, "you get what you are willing to pay for, from a low level, as in Los Altos, to a higher level, like Palo Alto".

Harlan Bradley, Leslie Salt delegate, said that a number of members from industry had met in the afternoon and wouldn't voice a stand for or against incorporation, but that they recognize "the question of incorporation is important" to each citizen and industry. Bradley reported the industries wish to participate actively in the study and have representation on the various sub-committees which will try to find what is best for industry and the community as a whole.

Conrad Wahlquist of Rheem Mfg. Co. made a motion that the chairman select a planning committee to meet with the elected officers and set an appropriate starting point and plans and bring the results to the group at the next meeting. Gordon Cotton, chairman, said he would comply with motion within ten days.

Two members of each committee will come from industry to give a fair presentation from each segment of the town.

Cotton informed the group that the boundary map had been filed as directed and explained the adjustments in the proposed boundary which were made by the boundary commission.

"We either have to accept the new boundary or force the issue in hearings," he said.

"It is apparent that Glenmoor does not want to have its subdivision split with part in an incorporated city and part remaining in an unincorporated area. Therefore I expect Glenmoor to try to keep its area together in its proposed community service district," said Cotton.

He reported that it was his understanding that Glenmoor has a per-capita assessed valuation of \$1,000 compared to Newark's \$1,800 and he pointed out that there isn't any conflict in boundaries between the Glenmoor proposed "community service district" and the already established Newark Park Recreation and Parkway District.

The question of financing the study is plaguing the Newark Citizens' Committee. To

find a solution to the problem, Cotton appointed a finance committee which includes: Leonard Lucio (Sunset Foundry), Harlan Bradley (Leslie), Frank Gygax, Catherine Sammon, Ed O'Mara, Everett Ezra and Wilbur Pine.

Cotton also appointed a boundary committee which will include a member to be named by Westvaco, by Leslie, by the newly-formed Newark Homeowners Association, plus Joe Pashote, Paul Gygax, Art Cotton and Robert Milan, "at large".

"The committee meetings are all held in open forum and the public is invited to attend. I would like to see the room full each meeting," said Art Cotton. "The more people involved, the more ideas you get" concluded Elwood Ennis.

U-Save Mart Opening Scores, More Stores, Clinic Sought

Last week's supermarket opening in Glenmoor Gardens was officially pronounced a success today, as officials of Glenmoor Homes disclosed plans to enlarge their shopping center.

Nearly 10,000 persons visited the U-Save Market over the weekend, according to Elmer Hanan, president of the U-Save Corp.

"The success of our opening surpassed our highest expectations," Hanan declared. Hanan and Advertising Manager Nick Montano joined in thanking Township for their generous support.

Meantime James R. Meyer, president of Glenmoor Homes, announced the appointment of Don Burness, former Stanford basketball great, as sales representative to handle more commercial leases for the Glenmoor Shopping Center, designed around U-Save.

Burness is seeking (1) a hardware store, (2) a drug store, and (3) a barber-beauty parlor to fill out the next unit for the center.

In addition, Glenmoor plans

call for a medical clinic or doctors' offices across from the center, next to the tract office.

Burness has been in the insurance business in Oakland. He graduated from Stanford in 1942. During his college career, he was named to most All-American basketball teams. With his family, he plans to move here soon.

Reviewing the U-Save Opening, Meyer pointed to the lack of traffic congestion, although shoppers' cars overflowed the 370-stall parking lot. According to Meyer, this proves once more the theory that shopping facilities set away from main highways are most desirable.

WORK FOR MILLER

Among the active members of the campaign committee for Congressman George P. Miller from Washington Township are Kaz Shikano, Centerville; and the Kitayama Brothers, Tom and Ray, of the Alvarado area. All are active in the Southern Alameda County JACL and farm bureau work.

Alviso School To Add Rooms

The Alviso District School, smallest in Washington Township, last week decided to build one and maybe two more classrooms to keep abreast of expected population.

Trustees authorized Board Clerk Herman Lambrecht to contact the San Jose architectural firm of Higgins & Root to explore costs of extending the present wing northward.

The Alviso District still has \$45,000 in bond sales from an election several years ago, says Supt. James Nunes, and trustees said they prefer to keep ahead of growth rather than bank the money.

The huge Cabrillo Park tract eventually will be mostly in the Alviso District, Nunes reminded. It will contain more than 3,000 homes.

The new classrooms also will enable Alviso School to take one of its classes out of the school auditorium, Nunes said.

Station Lease In Downtown C'ville

Lease of a 130-foot frontage at 167 S. Main St., Centerville, for a service station was reported today by the owner Fred Rogers.

Rogers said the Texaco organization has optioned the site, which is 100 feet deep.

A one-story house, one of California's oldest homes, now occupies the north end of the lot. Rogers says he will move this eastward to another lot he owns.

GLENMOOR GARDEN NEWS

By SARAH JANE PHILLIPS
Centerville 8-2443

After it was all over and life had settled down to normal, Glenmoor Gardens counted 4500 balloons, 3000 orchids, 2500 chopsticks, 1400 leis and 2500 candy eggs which had been distributed to shoppers, children of the Township at the grand opening staged by the new U-Save Market, Thursday, Friday, and Saturday of last week. Everyone agreed Glenmoor Gardens had been the scene of a lalapalooza of a celebration. Elmer Hanan on behalf of his organization wishes to thank the people of Glenmoor and Glenmoor Homes, Inc.

Thomas Weinberg, four-week-old son of the Richard Weinbergs, Glenview Drive, is to be christened next Sunday at the Church of the Holy Ghost. Eight guests will be entertained at dinner after the ceremony. They are: Mr. and Mrs. Ralph Swenson, Mr. and Mrs. George Carlson, Mr. and Mrs. Harry Hatfield and Mr. and Mrs. Charles Patterson.

Last week-end guests of Mr. and Mrs. George Hoy, Norris Road, were Mr. and Mrs. Ray Gurley from Monterey. Mrs. Gurley and Mrs. Hoy are old high school friends.

In case you saw a particularly little and particularly sweet baby girl out taking the air last Friday you would have gotten your first glimpse of little Denise Alveen Borshay, newly-arrived member of the Borshay household, Mattos Drive. Denise was born September 16 at Alameda Hospital. She checked in at 8 pounds, 4 ounces. Five-year-old Duncan is usually marching proudly alongside.

Mrs. Kenneth Lissi left last weekend for an extended stay with her parents in New York State. She was accompanied by her two children, Linda and Joan Elaine. Mr. Lissi plans to join her in December and the family will spend Christmas together before returning to California.

Mothers with small children who make use of the playground facilities in the morning will be glad to know that the gardener will water the park grass on Tuesdays and Fridays before ten if at all possible. Tuesday and Friday mornings should be muddy but every day by three the

grass should be in good condition to play on.

Mr. and Mrs. Bill Adcock rejoined their old neighborhood group Saturday night at a big barbecue held at Sanborn Park on Fruitvale Avenue. The occasion was a special party of the Arroyo Viejo Tennis Club, of which Mr. Adcock is a member.

Ruth Penner went to a wedding Saturday. Her cousin, Andy Ponzana was married to Patricia Maiken at the St. Leonard's Church, San Leandro. The reception was at the home of the bride's aunt in Oakland.

Just about everyone on Glenmoor Drive goes hunting at some time or other. Wayne Fritch tried his luck in the deer country of northern California last week-end.

The home of Mr. and Mrs. Peter Johnson, Glenmoor Drive, was the site of the monthly meeting of the Margaret Currier Circle of the Newark Presbyterian Church Wednesday, October 13. Mrs. Johnson and Mrs. Albert Alberts of Thornton Avenue, Newark, were co-hostesses. The house was decorated with a lavish display of orchids sent by Mrs. Albert's biologist son, Albert, from Hawaii. Guests were: Mrs. Helen Reivere, Mrs. Ella Barton, Mrs. Katherine Brewer, Mrs. Mabel Callow, Mrs. Opal James, Mrs. Glenn Newhouse, Miss Vesta Reivere, Mrs. Estelle Loiko, Mrs. Ruby Rogers, Mrs. Minnie Clay, Mrs. Francis Robt, Mrs. May Bolyard, Mrs. Alma Benson, Mrs. Lesda Brown, Miss Edith Ross, Mrs. Grace Hodges, Mrs. Evangeline Muller, Mrs. Emma R. Blacow, Mrs. Annie L. Cotton, Mrs. Esther Tomner and Mrs. Ethel Burnett.

Kenneth Scott, Elliot Street, was confined to his bed last week-end with a bad back. Mrs. Peter Ward, Glenmoor Court has added substitute teaching in the Centerville Elementary Schools to her other activities. Her initiation was accomplished by a fourth grade class last week.

Emery Peters must know where to find the deer. He, Mr. Ross and Don Barrett left Friday night for Doyle, and hoped to return Sunday with a buck.

Mrs. Adele Burrows entertained the Glenmoor Canasta Club at her home on Mattos

NEWS-REGISTER Page 4
October 21, 1954

Drive on the thirteenth. The following attended: Mmes. Sara Sinclair, Billie Pierce, Von White, Virginia Clark and Margie Park. Mrs. Sinclair was the winner.

A potluck dinner will be held at the home of Mr. and Mrs. Joe Santos, Blacow Road, Saturday evening, October 23. Those putting into and taking out of the pot are: Mr. and Mrs. Frank Pavalor, Mr. and Mrs. Vernon Mattson, Mr. and Mrs. Andrew DeRos, Mr. Ralph Langhorne, Mr. and Mrs. Roy Huntsinger, Mr. and Mrs. Charles Green and Mr. and Mrs. Ben Alward.

Demos Meeting Here Tuesday

An "Information Please" open-to-the-public meeting of Democrats will be held in Washington High at 9 p.m. next Tuesday to help answer questions about candidates and propositions to be voted upon in the November General Election.

"With the election only a week away, voters should begin to be keenly interested in the qualifications of candidates for public office," said Raymond L. Marsh, president of the Washington Township Democratic Club, sponsoring the meeting.

Marsh, a candidate for the Washington Township Hospital board of directors, said he was inviting local Democratic candidates to attend so they could talk to local people personally.

"Of course the last week is a busy one for everyone active in campaigning," Marsh said. "But we can promise to have a qualified person on hand to answer your questions, in case the candidates are already committed to other engagements."

Paid Firemen In Centerville

Paid firemen are budgeted for Centerville soon after the first of the year, it was disclosed last week.

John Dutra, secretary of the fire commission, said \$3,000 has been earmarked to hire men through June 30, 1955.

Fred Rogers, commissioner, said today the commission had hoped the new \$40,000 firehouse on Main Street would be ready this month, but that construction delays probably will place the opening about mid-November.

Glenmoor Homeowners Hear About Self-Rule

Glenmoor Gardens moved a step closer to self-government Tuesday night when 208 homeowners turned out at Washington Hi Auditorium to hear Directors of the Glenmoor Gardens Homeowners Association advance a plan for a Service District embracing the area from Central south to Mowry from Highway 17 to the Freeway.

As explained by the directors, 45 names or 15 per cent of the last gubernatorial election in the district were needed on a petition before the matter could be brought up before the Board of Supervisors. They said 98 signers were obtained. If the Board approves of the program then it must be put up for a vote in the area affected.

The petition requested that a district be set up that would be allowed to handle any of the following eight functions: (1) Supplying water for domestic, irrigation, sanitation and industrial use, fire protection, and recreation, (2) collection, treatment and disposal of sewage,

waste and storm sewer, (3) collection of garbage and refuse material, (4) fire protection, (5) recreational facilities such as parks, playgrounds, swimming pools, and recreation buildings, (6) mosquito abatement, (7) police protection, and (8) street lighting.

The district would be administered by a manager and/or secretary and an elected board of directors. The present association would be retained to enforce covenants described in the deeds. The district would be dissolved by any action incorporating the Township.

Except for garbage disposal, recreational facilities and street lighting, services would be provided as they are now. The district would make an attempt to bargain for lower utility rates. Fire protection would remain the same, until growth necessitated the district's own fire department.

Directors presenting the proposal to the association were Noel Diamond, James R. Meyer, James S. Logan, William A.

Kerlin, and James Reeder.

Presenting the opposition point of view were Mrs. Kenneth Goodwin and Terrence E. Tipton. Mrs. Goodwin argued that Glenmoor's recreational facilities are already good, that Glenmoor residents should support the Park-Recreation District movement now under way and "work with all the Township."

Tipton contended that expected savings in utility fees could be realized through petitions and that the friction engendered by this move "could ruin Township planning." He advocated Homeowner participation in a drive for Township incorporation. Other homeowners agreed, but one said: "This will keep us from being annexed by any other district that comes along until Township organization is possible."

Bernard C. Gibbons of Sterling Drive moved that every fourth meeting of the Directors be announced and held in a public place so that interested homeowners could attend.

Patricia Spurgeon,
Evert Lima Wed

Mr. and Mrs. Robert J. Spurgeon of Newark, announce the marriage of their daughter Patricia, to Evert H. Lima on Saturday, October 16, in simple rites at San Jose.

The groom, a former student of Washington Union High School, is employed by C. J. Wood, in Irvington.

The young couple will reside in Newark, until next June, when the bride will complete her senior year at Washington

KISS OF VICTORY—Ken Galloway, end for Washington Hi Huskies, bestows happy smack on football he caught from Tino Rangel last Friday to give his club a 6-2 SCVAL win over Los Gatos. (NEWS-REGISTER Photo)

WITH VICTORY IN SIGHT . . .

Costly Fumbles Lead To Pup Defeat, 20-6, At Los Gatos

By STUART NIXON

On the next kickoff, the

Two fumbles cost the Washington lightweight eleven their first loss of the season last Thursday as they bowed to Los Gatos, 20-6.

With the score 7-6 against them, Coach Gene Johnson's scrappy Pups were apparently on the march to victory midway in the fourth quarter of a game played across the Bay.

The Pups had the oval, first-and-goal, on the five yard stripe. Two plays later, a bobble in the backfield gave the ball to Los Gatos. That brought the Kitten defense to life. An 18-yard ramble by Bob Roller, a 22-yard pass from Ted Abe, and then Abe romped around end 33 yards to climax the 85-yard march and put the Junior Cats ahead, 13-6.

Pup's hopes waned when a hard tackle caused the ballcarrier to fumble. There was an immediate Los Gatos recovery, and seven plays later Roller rolled goalward 15 yards to score.

That spelled the ballgame, especially when the conversion was good.

Los Gatos scored first. From the Washington 40, Abe hit Jim Fuller with a looping aerial, and Fuller went the remaining 30 yards.

Then in the second quarter, a Los Gatos fumble gave the Pups possession on the hosts' 57. In seven plays, Quarterback Johnny Adams was over on a sneak that netted one yard. The try for point was nullified by a penalty, and a subsequent run for the tally was smothered.

Los Gatos netted 250 yards to Washington's 52, and also led in first downs, 15 to 11. Washington tried but one pass, and lost four yards with that.

John Stepherson Dies In Newark

John Allen Stepherson, 82, died on October 18 at his residence on Thornton Avenue.

He was the husband of Mrs. Sammie Stepherson, father of Mrs. Doris Brunch of Ceres, Mrs. Mabel Garrett and Mrs. Eula Edwards of Oklahoma, Mrs. Fannie York of Richmond, and Mrs. Johnnie Della of Centerville. He was a native of Mississippi.

Funeral services are Thursday, October 21, at 11 a.m. at the Chapel of the Palms with interment at I.O.O.F. Cemetery at Irvington, Rev. Thomas Fuhr officiating.

Three Backs Hurt

Husky Goal-line Stands Save 6-2 Win Over Los Gatos; Lick Next

By JERRY SANFORD

Fletcher, Rangel, Stubborn Linemen Credited; Soto, Pineda Out For Year

The Washington High Huskies, displaying fine defensive strength in the fourth quarter, stopped Los Gatos on the one-foot line with less than two minutes remaining to register a 6 to 2 victory over the Wildcats last Friday afternoon at Los Gatos.

Washington was sparked by little Eddie Fletcher, 5-foot, 5-inch halfback, and by quarterback Tino Rangel, lone survivor from the Husky backfield which started the season against Carlmont.

Fullback Ron Masuda and halfbacks Ernie Soto and Jess Pineda are out with serious injuries: Soto with a broken cartilage in his knee incurred in practice last Wednesday, Pineda with a broken collarbone suffered early in the Gatos game, and Masuda with a persistent arm injury.

The Huskies received the opening kickoff but had to punt after a loss of 18 yards by Fletcher on a bad hand-off. Los Gatos took control of the ball but also was forced to punt when they could gain no yardage against the stubborn Washington defense.

The Huskies took over on their own 42-yard line and drove 58 yards in 13 plays. Fletcher ripped off successive runs of 14, 6 and 7 yards. The game-winning tally came on a clever four-yard pass, Rangel to End Ken Galloway. Thus Galloway kept intact his record of making one TD catch in each of the three games played to date. He scored on a 75-yard pass against Carlmont and a 51-yarder against Fremont.

In the second period the Huskies started on their own 14 and drove to the midfield stripe, but then Bill Bachman broke through center for 15 yards and fumbled. Los Gatos recovered on their own 20-yard line only to be halted by rugged Orange-and-Black lineplay.

The third quarter was a seesaw battle in which neither team could get rolling. Only two first downs were made in the third, both by Washington.

In the opening minutes of the fourth quarter Tino Rangel fumbled on his own 38 yard line and the Wildcats recovered. Los Gatos then drove down to the Husky five-yard line only to be stopped cold once more. The Huskies tried

a couple of runs but could gain no yardage and were forced to punt. Los Gatos received the ball on the 28 and again went on the move, but alert defensive play by Conrad Preciado, Galloway and Dave Koelsch stopped them on the one-foot line with less than two minutes left in the game.

The Huskies took over. Then on a wide sweep to his right Rangel was tackled in the end zone for a Los Gatos safety. Washington then kicked off to the Wildcats, who took to the air. Fletcher intercepted a desperation pass to halt the Los Gatos threat, and the Huskies then held the ball until time ran out.

The victory's lustre was dimmed somewhat by the fact that five Wildcat players, including Ken Stryker, and Quarterback Terry Ogden, were benched with injuries or disciplinary reasons. However this detracted in no wise from the spirit shown on defense by Coach Clyde Voorhees' charges.

The Huskies made a total of 192 yards to the Wildcats' 171. Fletcher and Rangel ran up 151 of Washington's 192 yards. Rangel had a good day completing 5 of 7 passes for 56 yards, while Fletcher, a 125-pound "pony" back, netted 35 yards in 10 tries at the line; and the sophomore Bachman gained 31 yards in seven attempts. In other games played last Friday, Campbell nosed out Mountain View 8-0, underdog James Lick overcame a 14-point deficit and came back with 14 of their own in the second half to gain a 14-14 tie with the Santa Clara Panthers, and powerful Fremont ran over Menlo, 20-8, in a practice game.

Tomorrow night Washington plays host to the James Lick Comets. Stars of the Comet offense are Fullback Larry Fisher, who scored first against Santa Clara on a 45-yard thrust; Halfback Harold Danker, who tallied the second TD on a 10-yard run; John Ventry, pass-snagging end; and Tackle Dick Krause, a 220-pounder.

Score by quarters:

Washington	6	0	0	0-6
Los Gatos	0	0	0	2-2

'55 Chevy Here October 28

Romeo Brunelli, president of Central Chevrolet Co., and his entire sales staff have returned from a preview of the new 1955 Chevrolet. Brunelli and his staff, after seeing the new Motorama Chevrolet in San Francisco, stated that it is all new, both from a styling and engineering standpoint, and is by far the most advanced automobile in the low price field today.

Brunelli and his staff extend a most cordial invitation to visit their showroom and see the 1955 Chevrolet which will be on display here beginning October 28.

A Worried Voter Writes Editor

(From Morning News, Oct. 8th)

Editor: My friends and I have been reading in the papers that a candidate for a public office in Oakland was stopped by the court from using a professional name with his own name on the election ballot for the reason that he did not make a living in the profession he had listed as his business or profession.

We have a similar situation here in Hayward and in the 13th Assembly District. Here a Hayward school teacher working full time as a teacher in the Hayward High School has his profession listed on the ballot as "Councilman, City of Hayward," a part-time occupation without pay. How can one candidate fool the voters and not the other?

My friends and I also wonder how a school teacher can work for the taxpayers as a teacher and also serve as an Assemblyman on the payroll of the taxpayers?

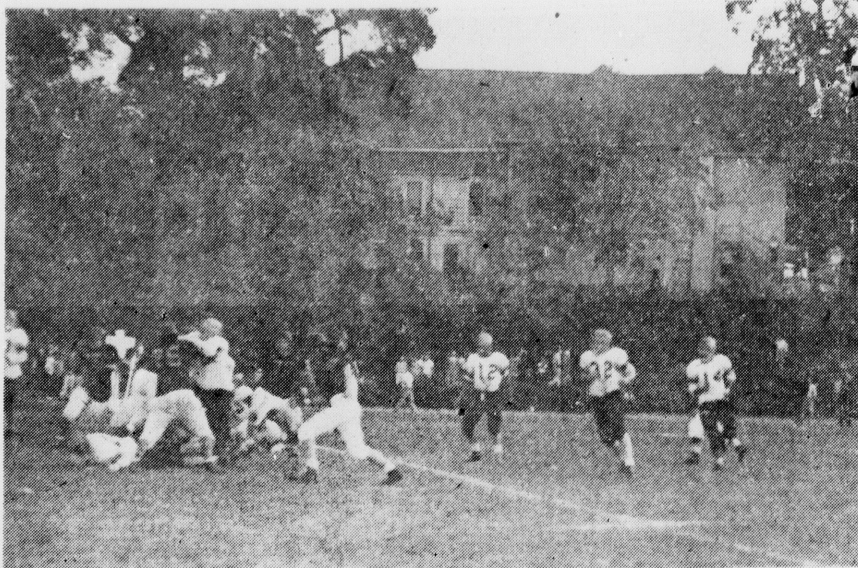

My friends and I also wonder how a candidate can quit a good paying position such as a high school teacher to work part time as an Assemblyman at the \$300 per month pay now paid our Assemblymen?

We are worried about our high taxes and these are questions we would like to have answered. I have been a Democrat all my life and hold an active membership in the Steel Workers Union and the Electrical Workers Union. I am a veteran, active in the American Legion and D.A.V. and a local taxpayer and would appreciate your publishing this letter and the answers to these problems.

Very truly yours,
GEORGE WATSON.
29170 Dixon St., Hayward, Calif.

HUGE REEF

The Great Barrier Reef of Australia lies only ten miles from the mainland in some parts, while in others it is 150 miles offshore.

The sand dollar has a five-pointed star on its upper surface. Tree farms are now operated in 36 States.

Boys' Club Is Sought Here

A Township-wide boys' club, patterned after nationally-successful clubs for underprivileged youths, was proposed on Tuesday before the Niles Chamber of Commerce.

Jim Anderson, a deputy sheriff, broached the subject, and urged that the chamber name guide the destiny of such an organization, and perhaps to underwrite a few \$1 memberships for boys.

Anderson's idea, he said, is for a central clubhouse, where organized recreation could attract Township youngsters.

President Howard Mitchell agreed to name the director-candidates at an early date.

LABOR ENDORSES ED ROBEY

Louis A. Fuller, a prominent Hayward Democrat and Labor leader today announced the endorsement of ED ROBEY for Assemblyman from the 13th District, and the formation of a Labor Committee for ED ROBEY.

Mr. Fuller and his committee are supporting ED ROBEY for the following reasons:

ED ROBEY was born and raised on a farm and has been a factory worker, and member of the building trade for years.

ED ROBEY has been a friend of Labor and a member of Carpenters Local No. 1622 in Hayward for years.

ED ROBEY is a self made man who obtained his higher education by attending night school at Lincoln University four nights a week for four years.

ED ROBEY has been a successful-business man and Civic leader in this area for over 20 years, and his practical experience and good judgment can serve all the people fairly and with competence.

COMMITTEE MEMBERS ARE:

Louis A. Fuller—Carpenters
Clair Zigelhofer—Carpenters
Louis Turko—Auto Workers
Rocco Benigno—Auto Workers
Joseph Zukowsky—Auto Workers
Frank Taft—Barbers
William Spagnoli—Barbers
John Vanick—Cooks
Bill Castro—Musicians
Manuel Medeiros—Musicians

George Watson—Steel Workers
Charles Stokes—Teamsters
Nash Gouveia—Teamsters
Fred Nunes—Teamsters
Victor Crick—Bartenders
Anthony Rose—Electricians
Gerald McAllister—Electricians
John Greene—Railway Engineers
John Hall—Railway Conductors

Niles Planning Gay Hallow'n For Youth

A Halloween parade and bonfire is being planned for the children of Niles. It was announced Tuesday at the local Chamber of Commerce.

E. Dixon Bristow, superintendent of schools for Niles, reported plans underway to have a school-sponsored parade on Second Street, ending at a supervised bonfire on the school grounds. A window-painting contest with a Chamber of Commerce prize also would be held.

John Brahmst suggested the chamber underwrite cost of the parade and the young-people's President Howard Mitchell asked Bristow to look into the matter and report next week how he wants the chamber to help.

LEGAL NOTICE

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the Board of Trustees of Decoto School District of Alameda County hereby calls for sealed proposals to be delivered to the Clerk of said Board at the auditorium of said Board in the Decoto School Building located at 6th and H Streets in the unincorporated town of Decoto, California, until Tuesday, the 9th day of November, 1954, at nine o'clock P.M., at which time and place bids will be opened for the furnishing of all labor, materials, equipment, mechanical workmanship, transportation and services required for the additions to the present Hillview Crest Elementary School Building consisting of frame and stucco classroom buildings containing 3 kindergartens, four classrooms, toilet facilities, custodian's shop and storeroom and administrative offices, together with connecting open corridors on the site belonging to said School District located at the North end of Wheelon Place in the unincorporated town of Decoto, California, for the Decoto School District of Alameda County.

Bidders must bid on the base bid, all alternates and unit prices. These bids shall be presented in accordance with plans and specifications for said work prepared by John Hudspeth, Architect, 339-15th Street, Oakland, California, which are on file at the office of said Board located as above mentioned.

On deposit of Fifty Dollars (\$50.00) said plans and specifications may be had by any prospective bidder for the work above mentioned on application to said architect, and shall be returned at the time the bids are submitted.

If the plans and specifications are not returned to the said architect within the time above specified or are returned in a mutilated or damaged condition, the said deposit will be retained by said district as agreed and liquidated damages for said mutilation or detention.

LEGAL NOTICE

Bids must be made on bid forms obtained at the said office of said architect and must be signed by the bidder and accompanied by a bid bond in the form procured from said office, duly executed by the bidder as principal and a corporation authorized to do business in the State of California as surety naming the Decoto School District of Alameda County as obligee, or by a cashier's check or certified check, certified with qualification, drawn on a solvent bank of the State of California or on a national bank doing business in the State of California, in the amount of Twenty-five Thousand Dollars (\$25,000.00), and made payable to the Decoto School District of Alameda County. Should the party or parties to whom the contract should be awarded fail to enter into the contract after the award and to file the required bonds the proceeds of said certified or cashier's check or the amount paid by the bidder or his surety pursuant to the terms of said bid bond either voluntarily or pursuant to the judgement rendered by the court in any action brought thereon will be retained by said district as agreed and liquidated damages.

The contractor and all subcontractors under him must pay all laborers, workmen and mechanics on said work, or any part thereof, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holiday and overtime work, for work of a similar character in the locality in which the work is performed, to wit: said school district, which per diem wages shall not be less than the stipulated rates contained in a schedule of rates which has been ascertained and determined by said Board and which is now on file in the office of said Board and by reference incorporated and specified herein and made a part hereof, and which said general prevailing rate of per diem wages as hereinabove referred to and adopted for each craft or type of workman or mechanic needed to execute this contract, is herein specified as follows:

Crafts or Types of Workmen	Prevailing Hourly Wage Rate
Asbestos Workers	\$3.05
Boiler Makers	2.90
Boiler Makers Helpers	2.60
Bricklayers	3.50
Bricklayers Helper/Carriers	2.70

Shovel Operators (up to and inc. one yard)	3.17 1/2*
Shovel Operators (over one yard)	3.28 1/2*
Truck Crane Engineers	3.00 1/2*
Tractor Operators	2.84 1/2*
Trenching Machine Operators	2.89 1/2*
Glaziers - Building Construction	2.55*
Ironworkers:	
Structural and Bridge	3.00*
Welders	3.00
Structural	3.00
All Rigging	3.00
Housemiths, Arch, Iron	2.75
Housemiths, Reinf. concrete or rodmen	2.75
Ornamental	2.85
(All Foremen - 25c per hour extra)	
Laborers:	
Building Laborers	2.07 1/2*
General Laborers	2.07 1/2*
Concrete Workers (wet and dry)	2.07 1/2*
Jackhammer Operators (and handlers of pneumatic tools)	2.17 1/2*
Vibrators	2.17 1/2*
Truck Laborers	2.07 1/2*
Watchmen Working	2.07 1/2*
Vitrified & Concrete Pipe Laying	2.32 1/2*
Sewer	2.07 1/2*
Form Shippers	3.50*
Lathers (6 hours)	1.94 1/4*
Lumber Handlers & Helpers	2.11 3/4*
Lumber Clerks	2.70*
Painters (7 hours)	3.54*
Plasterers (6 hours)	3.12*
Plasterers Helper/Carriers (6 hours)	3.12 1/2*
Plumbers	3.12 1/2*
Refrigeration Installation - pipe	2.75
Roofers	2.85
Sheet Metal Workers	3.03 1/2*
Sign Painters (7 hours)	2.51 1/2*
Sign Painters Helpers (7 hours)	3.25*
Steamfitters	3.50
Stone Masons	3.10
Tile Setters	2.35
Tile Setters Helpers	
Teamsters: Prevailing per diem wage rate:	
Under 4 yards (water level)	16.80
4 yards and less than 6 yards (water level)	17.92
6 yards and less than 8 yards (water level)	19.20
8 yards (water level) and over	21.60

* Plus Welfare rate.

OVERTIME: Overtime, Saturdays, Sundays, and Holidays to be paid in accordance with the union wage scale in effect at the time.

The working day shall be eight hours unless otherwise specified above. The per diem rate shall be the hourly rate multiplied by the number of hours in the working day. When less than the number of hours constituting the working day, as herein stated, is worked, the wage to be paid shall be the hourly rate multiplied by the number of hours actually worked.

Where per diem wage rate only is specified above, the hourly wage rate. All skilled labor not listed above that may be employed is to be paid not less than the union wage scale for such labor and in no event to be paid less than the per diem rate, divided by the number of hours constituting the working day. Two & 075/100 Dollars (\$2.075) per hour.

It shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Properly indentured apprentices may be employed upon this work in accordance with the state law. Such apprentices shall be properly indentured as called for by law and shall be paid not less than the standard wage paid to apprentices under the regulations of the trade at which they are employed. An apprentice shall be employed only at the work of the trade to which he is indentured. The initial wage to be paid an apprentice shall be not less than twenty-five per cent (25%) of the journeyman's wage being paid and shall be increased each six (6) months in an amount not less than fifteen per cent (15%).

The Board reserves the right to reject any and all bids, or any or all items or alternates of such bids.

By order of said Board, October 13, 1954.

W. S. DAVIS
Clerk of the Board of Trustees of Decoto School District of Alameda County, State of California.

Miller, Ritchie Debate Parity

Divergent views on the new Farm Parity bill were voiced here Tuesday night at a Farm Bureau forum by rival candidates for Congress.

Jess Ritchie, GOP nominee, termed the bill "a must". George Miller, Democratic incumbent, called it "the biggest fraud ever perpetrated against the American people."

From the audience, L. S. Williams, Centerville rancher, inquired of Miller why he voted against the parity bill when the Farm Bureau backed it. Miller replied that the Farm Bureau "isn't all-knowing," and that sometimes farmers "don't know what's best for them."

Congressmen who vote exactly as their constituents demand against their better judgment aren't being honest with themselves, Miller added.

Ritchie attacked his opponents' voting record, saying:

"He voted 'no' on the recent Atomic Energy Act, on Farm Supports, on the pay raise for postal employees, against increasing tariffs on hardwood from Communist countries," against tax reductions, against a national advisory committee on education."

Ritchie hailed Administration efforts to give farmers fair price supports without unbalancing the rest of the economy, and praised President Eisenhower's highway policies.

He asked consideration at the polls November 2 to "give the Eisenhower Administration the representation it needs."

Miller countered that the Farm Parity bill "squeezed price support floors and ceilings too close together," and pointed out that many Republican leaders themselves opposed it.

Most pressing problems in the Township are solutions for flood control, drainage and water supply problems, the Congressman said.

"I have served you for 10 years," Miller declared, "and I have always supported the farm program I thought best for the country."

Ritchie said he was reared on a Midwest farm before going into engineering and independent business in California. Regarding his recent fight to get recognition for his battery-additive, he said:

"Few people know Washington as well as I do now. It's been open season with me on bureaucrats for five years."

Cruz Venstrom was moderator for the program in Washington III cafeteria. Additional speakers were Carlos Bee, Democrat; and Ed Robey, Republican candidates for assembly.

DECOTO NEWS

By GRACE CAMINADA
After a brief executive board meeting October 13, Vice President Mrs. Manuel Seane called to order the first fall meeting of the Decoto P.T.A. Mrs. Antone Costa was nominated and elected as president succeeding Mrs. Joseph Nieto, who recently resigned.

Principal Kenneth Crump introduced the faculty members and announced the present enrollment was 617. Raymond Rodriguez spoke on the policies of the P. T. A. Mrs. Costa was presented the president's pin and corsage.

A wedding reception and a christening brought approximately 100 persons to the home of Carmen Pena of 406 E. St. on October 10. The reception was held for Joe and Mary Pena who were recently married in Reno. It was given by Carmen, Mary, and Lupe Pena.

A citizenship drive is on and all those interested are asked to register at the C.S.A. office on 6th and H Streets. Representatives in these following towns are also registering: Centerville, Cornelio Condreras, Hayward; Mrs. Apolonia Flores.

Paul Shields recently returned from a vacation in the East. He attended several lectures at Queen's Hospital in New York on the removal of foreign objects in the throat. Paul also visited a sister in the big city and one in the midwest.

Joe Ferrario is now on a two weeks' vacation from his duties at the firehouse.

Mrs. Elmer Peixotto was re-elected president of the Holy Rosary Guild at a recent meeting. Mrs. Hazel Costa was elected vice-president; Alice Bowen, secretary; Florence Wallace, treasurer; and Mary Janiero, auditor. The annual dinner will be held on November 10 at the Villa de las Paix.

Awarded prizes for the best costumes were Gladys Keller, Mary Plane and Hazel Costa. Decorations attractively done in the Halloween motif were prepared by Mary Cardoza, hospitality chairman.

A surprise stork shower was held last week for Julia Pagan of Niles. Those attending and showering her with gifts were Barbara Pagan, Shirley Garcia, Cecilia Navas, Lorraine Carolo, Gail Pagan and Julia Mateo was hostess.

Julia Mateo and Julia Pagan were hostesses at the Mateo home in Hillview Crest honoring Gail Pagan at a stork shower.

Fifty ladies attended a shower for Mrs. Rosemarie Davis who was recently married. Held at the home of the Fred Sanchez on Whipple Rd., Betty Andrade and Rita Sanchez were hostesses. Rosemarie was a student at W.U.H.S. Her husband is stationed at the Alameda Naval Station. The bride is the daughter of Mr. and Mrs. Jim Gonzales of 700 6th St.

Arriving here from Argentina recently with her family was the daughter of Mr. and Mrs. B. Gonzales of 15th St. Another daughter and her three children are expected here soon.

Fred Margarido won first prize of the beginners' class

at the exhibition of model planes held last week in Tracy. Tony Rivera of the advanced class came in fourth.

Due to the quick work of the Decoto Fire Dept. Rosemarie Arevalo of 712 6th St. is well today. Brought to the firehouse unconscious, the fellows promptly worked with the resuscitator. Later Mrs. Arevalo was transferred to the hospital for treatment.

Halloween costume parades are to be held both for the morning and afternoon classes at the Decoto School on Oct. 29. On Saturday carnival booths will be opened at 7:30 p.m. in the playground. Cartoon movies will be held in the school classrooms and the evening will end with a dance in the multipurpose room at Hillview Crest.

Mrs. Jennie Boliba has returned home after recuperating at the home of her sister in Hayward from a recent operation.

Ann Azevedo was entertained by Mrs. Ann Parker at the home of Minnie Shields in Hillview Crest at the recent Birthday Club meeting. After a round of whist, Mrs. Azevedo won first prize and Minnie Shields the consolation. Next month Francis Avilla will entertain at her home honoring Mae Soito.

Motoring to Meeker, Colorado to hunt elk, deer and bear were William S. Davis, Charles Janiero, Lynn W. Jarger, and Robert Farris.

Rinald Caminada and children Butch, Diane and David took in the tour of the USS Boxer in Alameda last Sunday.

Class Visits Leslie Salt Co.

Mrs. Dorothy Griffith's Third grade at the Allen G. Norris School visited the Leslie Salt Company in Newark last week and were shown through the plant by Mr. Dickerson.

The students were accompanied by Mrs. John Beumer, their room mother, and Mr. George, the bus driver and all reported they thoroughly enjoyed the trip.

LIONS WHIST
The Centerville Lions Club will sponsor their annual whist party December 5 beginning at 2 p.m. at Washington Union High School, according to Arthur Belshaw, chairman.

Mr. and Mrs. M. F. George, Jr., of Mountain View, last Sunday entertained his parents, Mr. and Mrs. M. F. George, of Centerville. A surprise dinner was held in honor of the elder Mr. George's 85 birthday.

Altar Society of the Holy Ghost Church, Centerville, held its annual luncheon at the International Kitchen, with a large attendance. Two new members were taken in: Mrs. Angie Bettencourt and Mrs. Mary Brown. Speaker at the luncheon was Father Vincent Breen, on the topic "About Children and their Parents."

Hobby of Dinlinda Duarte, of Duarte Avenue, is being a penpal writer. Dinlinda corresponds now to New Zealand, Germany, Sweden, Canada, England, Ireland, Japan and Alaska, and in eight years has received many gifts from abroad.

U.P.E.C. Council 19, of Centerville, on October 26, will receive the Official visit of Mrs. Regina Fernandes, of Rodeo, at 8 p.m. at the Parish Hall. All members and officers are invited to attend.

Annual regional contest, "Make It Yourself With Wool," sponsored by the National Wool Growers Association, was won by Becky and Pat Overacker, of Millcreek Road Mission San Jose. Becky, 16, won second place in the junior division, and Pat, 13, won first in the skirt-and-jumper division.

More baby booties to the household of Mr. and Mrs. Al Perez, of Anita Court! Their second child was born October 11, at the San Jose Hospital, weighing eight pounds and was named Alan Richard. Denise is overwhelmed with her new little brother.

John Marshall of Independence is spending the week-end visiting his mother Mrs. Margaret Nelson of Second Street. Mr. Marshall is with the State Fish and Game.

Toyon Branch, Childrens Hospital of the East Bay, is grateful for the response given their Rummage Sale on First Street. In the near future a Walton Drug Store will occupy the same site.

A dessert whist party was given by Marjorie Janssen and Marian Frick at the home of Mrs. Janssen, for the benefit of the St. Mary's School, of San Jose. Assisted by Barbara Frick, of Notre Dame. Guests who en-

joyed the whist and canasta were: Mr. and Mrs. John Cataneo, Mr. and Mrs. Joseph Enos, Mmes. Iva Marble, Jerry Parks, Marge Franco, Harriet Tyson, Eileen Cahill, Charles Frick, Clarence Crane, Byrde, Duffey, and Mr. and Mrs. Bill Dose, of San Jose.

Al Lopez, proprietor of the Niles Flower Shop is planning to build a large flower shop and nursery at First and H Street, as soon as a building on site is sold and removed.

Mrs. Cecilia Dondero celebrated her birthday October 14. A surprise dinner party was given by her husband Leonard and his family. Mrs. Dondero is our Niles Postoffice clerk.

Mrs. Emilia Vargas, wife of the late Tony F. Vargas, of Niles Road, is very ill, and is staying with her daughter, Mrs. Mary Vierra, 2141 65th Avenue, Oakland.

S. P. R. S. I. Council No. 4, Centerville, met on the first Thursday with a large attendance. Mrs. Bell Payne was presented a gift, honoring her birthday. At the September meeting the following were honored with a birthday gift: Anna V. Rose, Palmira Mosegaard, Palmira De Valle, Mary L. S. George and Helen E. Lewis.

Mr. and Mrs. Harold Albanos and Mrs. Clyde Shott of Sacramento came Monday to stay a few days with Mrs. Margaret Nelson, then drove to Rio Del Mar, Santa Cruz, to visit a brother, A. E. Rhoades.

Marilyn Enos, now living at the Catholic Women Center in San Jose and attending Teach-

New FORD THUNDERBIRD

A personal car of distinction
...with Trigger-Torque performance

You'll be delighted at the wealth of conveniences the Thunderbird offers. Two tops are available: a disappearing fabric top... and an easy-to-lift-on hard top. The extra-wide vinyl upholstered seat is foam-rubber-cushioned... power-operated 4 ways. Windows roll up... by power, if you like. There is a tachometer... and a clock with a sweep second hand. There is a telescoping steering wheel. And you can have power steering and power brakes.

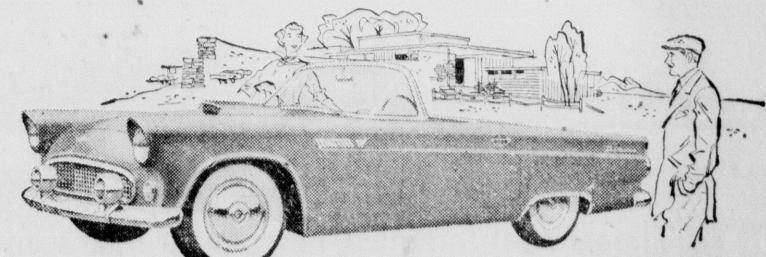

Something totally fresh is here—a bewitching new all-steel beauty that sets the styling keynote for other Ford cars to come.

But, styling gives the merest hint of what the Thunderbird has to offer. In traffic and on the open road the Thunderbird's Trigger-Torque performance is literally a revelation. Here is hair-trigger response... fleet, liquid agility... backed by a reserve of swift, sure power to meet safety's every demand. Trigger-Torque performance stems from Ford's new Thunderbird Special V-8—a high-torque engine with 4-barrel carburetor, dual exhausts, wide-opening valves and Ford's famous low-

friction design. And you can have the Thunderbird with the transmission of your choice—Conventional, Overdrive, or new Speed-Trigger Fordomatic.

Ford's Ball-joint Front Suspension not only velvet-enshions your ride, it also allows the Thunderbird to handle with utmost ease—to corner with greatest stability.

But, more important, the Thunderbird is the product of the same advanced engineering... the same manufacturing skills that have made Ford products so dependable, so value-full and so desirable to so many.

Rebekahs Holding Bazaar November 4

Silver Star Rebekah Lodge No. 336 is having a bazaar, food sale, and a luncheon on November 4 at I. O. O. F. Hall in Irvington.

The bazaar starts at 10 a.m., the luncheon is at 11:30 a.m., and whist follows.

Silver Star Rebekah Lodge will meet on November 5. On the refreshment committee is Anna Van Buskirk, Ivy Cull, Alice Leach.

Decoto Okehs 3 New Schools, Additions At Barnard, H.V.C.

Three new schools for fast-growing Decoto, and additions to two present schools will be needed shortly, trustees decided last week.

Supt. Harold Schoenfeld was directed to:

1. Buy a seven-acre site in the Treeview Tract, across from Hillview Crest;

2. Apply for State funds to build the Whipple School, between Hillview Crest and the Barnard School.

3. Do the same for another school at 15th and G Streets, 10 blocks west of present Decoto School.

Bids will be opened November 9 for a \$300,000 addition to the Barnard School, and on a \$200,000 addition to Hillview Crest. The Barnard annex includes four classrooms, multi-purpose room, library, home-making room, shop, kitchen, and special classroom.

The Hillview addition contains three kindergartens, four classrooms, plus administrative offices.

The Treeview site is for a

\$200,000, kindergarten-through-sixth-grade school, containing eight classrooms. It will take children from Treeview, a 550-home subdivision already under construction.

The \$400,000, 16-classroom Whipple School will serve children in the same age-bracket. It will permit shifting most of the pupils from Hillview Crest School when the Rousseau Tract is finished. Rousseau children then will occupy the present Hillview Crest School. Half the tract will lie in the Decoto School District.

The third school, southwest of Decoto, is slated to be built on 10 acres now owned by the Decoto family. A five-classroom kindergarten-through-sixth-grade institution, it will serve to ease pressure on the Decoto School. Cost: an estimated \$90,000.

The Treeview and Whipple schools will be designed by John Hudspeth, Oakland architect, who drew plans for the new Decoto School. Ponceford & Price will be architects for the south-west school, it was decided.

Dr. Schoenfeld was authorized to start preliminary planning with the architects.

Boy Scout Dance

A Halloween benefit dance for Mission San Jose Boy Scout Troop No. 1 is being held on October 29 at I. D. E. S. Hall from 8 p.m. to 12 p.m.

Everybody is welcome to come in costume. Jed Oxborrow will furnish the music.

MISSION SAN JOSE

By Regena Dennie

Deborah Ann Crozier, daughter of Mr. and Mrs. Leroy Crozier, celebrated her sixth birthday Saturday with a party for her friends. Each girl received a bow for her hair and butterfly pins. Games were played and ice cream and cake was served. Guests were Linda Maria, Barbara Maria, Susan Carey, Peggy Carey, Pauletta Dunlap, and Deborah's little brother, Bill.

Mr. Anna May Campagna was hostess for a baby shower honoring her sister-in-law, Mrs. Mary Sanchez, at Pleasanton, Friday evening. Many of Mary's friends were entertained with bingo and refreshments were served.

Marvin Lofton and four of his fellow-employees are spending three weeks near Elko, deer hunting.

Mr. and Mrs. Bill Pereira attended the wedding of Rosalind Calabrese and Vincent Garafolo at Sacred Heart Church in San Jose on Sunday.

At a recent Cub Scout meeting, the boys entertained their parents with skits bearing the theme, "Gold Rush Days." An inspection was held with George Walker, Sr. Scout Master, in charge. Jimmy Mulhern was presented with the Wolf badge and Gold Arrow award. A Gold Arrow was presented to George Walker, Jr. Bob Cat pins were awarded to John Monger, Roddy Vantrease, Steven Skiles, Bill Henderson and Donald Dunlap.

Antonette Escobar, daughter of Mr. and Mrs. David Escobar, celebrated her first birthday on Tuesday, with relatives visiting for the evening. Guests were: Mr. and Mrs. Virgil Campagna and sons, Mrs. Rose Escobar and Mrs. Minnie Silveria of Mission. Mr. and Mrs. J. L. Maciel and Mr. and Mrs. Joe Faria of Niles and Mr. and Mrs. Leroy Gomez of Centerville.

Mrs. Dorothy Walker was hostess Wednesday evening at

her home. Guests were Pat Arnett, Irma Vargas, Margaret Phillips, Sally Souza, Paula Baggett, Mary White, Lois Stewart, Violet Williams, Rose Thomas, and Mildred Dethlefs. U.P.E.C. Council No. 16 held a successful bingo party on Thursday in I.D.E.S. Hall. Margaret Gemignani of Niles won the door prize, a pair of pillowslips.

Mrs. Evelyn Spence was honored with a baby shower Wednesday at the home of her sister-in-law, Mrs. Carol McDonald, in Newark. Missionites who attended were Grace Veith, Vivian Meyers, and Nora Pereira. Sending gifts, but not present were Margaret Phillips and Josephine Chambers. Evelyn had a baby boy, Dennis James, two weeks ago.

Mrs. Grace Veith was hostess Friday evening to a group of ladies attending a "Gadget Party." The party was put on by her son, Donald Meyers.

The Mothers' Club held an interesting meeting Thursday evening with Mrs. Theo Overacker, President, in charge. Guest speakers were: Frank Vargas, Trustee, who told the ladies about the plans for the new school, John Spencer from the A.A.A. spoke on the traffic problem. The Mothers' Club received the charter for the cub scouts which they are sponsoring. Attendance banners were given to Jed Oxborrow's 8th grade class and Mrs. Millard's morning 2nd grade class for having the most mothers present at the meeting.

Regional Parks Historical Topic

Robert Sibley, director of the East Bay's Regional Parks, is tonight's speaker for the Washington Township Historical Society.

Sibley is former secretary of the University of California Association. He is slated to discuss the regional park system, and how it might be applied in this area.

The society meets at 8 p.m. in Washington Union High School, according to President George Roeding Jr.

UPPEC Visit

U. P. P. E. C. Council 19, Centerville, are having their official visit October 26, at 8 p.m., honoring their Supreme President Regina Fernandes. They urge all members to attend.

Orchard Park "BROWNIE" REPORTS

By Don Brown

HI-YA FOLKS— This is your new reporter for Orchard Park with his first column.

The bosses are very anxious to have news from our tract, so please call Centerville 8-8915 and give me any news that pops up from time to time.

Thursday, the Thriftmart, Orchard Park's new grocery store and meat market had their Grand Opening with Cottontail Clark and the Hoffman Hayride Gang giving a fine show at the store. Friday, Kay Bell, wrestler, was greeted by many patrons of the store. Saturday, the famous wrestling team, Sharp Brothers, were on hand.

The new Shopping Center fills a long need for ours and neighboring tracts. Now with the Thriftmart Grocery, Town and Country Furniture Store, Ray's Men's Furnishings, Orchard Park Cleaners, Marie's Beauty Salon, Gebo's Barber Shop, and Yours Truly (Massage and Steam Baths) we are very well equipped. As this column progresses each week we will try to give you a little personal touch of each of the proprietors of this Center and also our neighbors throughout the tract.

Mr. and Mrs. George Smith of the Smith-Peters Company departed Monday morning by plane for Chicago. Mr. Smith told me that a car will be waiting at the Chicago airport for them, in which they will drive to Milwaukee and Madison, Wisconsin. The trip will be a combination of business and pleasure.

The first unit of Smith-Peters new El Ranchitos Tract at Thornton and Mayhew Landing Road is progressing rapidly, laying of three foundations a day. The street work in this new tract is ninety percent completed and folks are expected to be able to move in by January First. The second unit plans are in the engineer's office now for corrections and should be completed by the first of the year.

That long-legged bird seems to be hovering over our tract—in fact I believe he must be nesting in some of the "cot trees around Dutra Way. Please advise me when the "bundles from heaven" arrive folks, so that proper notice can be given to our paper.

Mrs. Jehn Monday of 169 Dutra Way returned home from Reno, Nevada, after visiting her son and family there and attending a woodcraft installation at Carson City.

Have you ever seen nicer weather than we are having right now? Golly folks, what delicious, delightful, barbecues you can have out there in the back yard now. (I sure like barbecues and am open for invitations). Why I would even do the cooking if you furnish the food.

Anyone prowling around Dutra Way in the wee small hours, say two or three a.m., will probably wonder why the lights are still on at Brown's and Solley's on opposite sides of

ORCHARD PARK

the street. Well just to keep the records straight, Don and Ervin are so busy that they are just finishing up a day's work at that time.

I have it by a reliable rumor that one of Newark's large industries will possibly go on a four day a week basis shortly.

Congratulations to "Pete" Peterson, who received notice a few days ago that he had been promoted to the position of assistant manager of the Hayward Lucky Store. Best of luck Pete in your new assignment.

Congratulations to Mary Jensen, Dutra Way, for receiving the prize as the "Best Dressed Gal" at the pre-Halloween Costume Party given by the Township Twirlers, a Square Dance Group. (Squares?)

Bert and Mary Jensen entertained guests from Los Angeles over the week-end. They were Doris and Paul Woolter. Township Ambulance Service had a busy week ending Sunday:

Monday, Oct. 11 at 6:44 a.m.—a car-and-pole crash, Hwy. 17 near Alviso School, one injury.

Thursday, Oct. 14, 7:45 a.m.—auto-pedestrian collision, Main St., Centerville, slight injury.

Saturday, Oct. 16, 6:32 a.m.—two-car collision, Warm Springs "Y", no injury. 12:44 p.m., stab wound at Hillview Crest, serious. 2:38 p.m.—car-motorcycle collision, Hillview Crest, one serious injury. 3:42 p.m.—two-car head-on crash, Mission San Jose Highway 21, no injury. 10:31—Highway 9 near California Nursery, Niles, collision, no injury.

Sunday, Oct. 17, 12:38 a.m.—Hillview Crest, auto-pedestrian, slight injury. 1:38 p.m.—Bell Ranch Bridge, collision, one serious injury.

To date this month the total number of accidents covered by County contracts is 22.

Well folks, I am calling it quits for this week. If you like our column, by all means call the boss, and tell him, but if you don't like it call me (for goodness sake what am I saying?)

Religious Film

The religious film "I Beheld His Glory" will be shown on Sunday night at 7:45 p.m. at the Irvington Assembly of God Church. The admission is free and everyone is welcome.

How to make tractor-track bearings last longer

You can add many hours of life to your tractor's track-roller bearings if you lubricate them regularly with RPM Tractor Roller Lubricant. It flows evenly to all bearing surfaces and coats them with a tough, wear-resisting film that stays on even in sidehill operation. It also forms a tight seal at bearing edges that helps keep out dirt, mud, and water.

RPM Tractor Roller Lubricant comes in three grades for Caterpillars to meet all operating conditions, and in a special A.C. Type for Allis-Chalmers. Ask us to deliver you a supply today.

Sen. Kuchel In Centerville Confab Friday

United States Senator Thos. H. Kuchel and Mrs. Kuchel will be in Washington Township tomorrow (Friday) to meet the people.

The Kuchels will attend a meeting in Centerville, at the Southern Pacific depot, across from the Bank of America.

The announcement comes from Clifford Blackett, Glenmoor Gardens, who is Township chairman for the Kuchel campaign.

The brief meeting will commence at 10 a.m. The public is invited to meet the senator, who is running for re-election after being appointed two years ago to succeed Sen. Richard M. Nixon when Nixon stepped up to the vice-presidency. Coffee will be served.

Kuchel is a member of a pioneer Orange County newspaper family, and served for several years as State Comptroller.

Pool, Clubhouse Promised For Los Ranchitos

A swimming pool and clubhouse will be made available to residents of Los Ranchitos homes in Newark within one year, according to plans announced today.

George O. Smith-Peters Inc., developers of Los Ranchitos, has asked Everett Ezra, a homeowner in the development, to organize and incorporate a non-profit club of Los Ranchitos residents which will be ready to accept ownership of the property and maintain and manage the facility when it is completed.

A building containing approximately 3,500 square feet of floor space that is now in existence on the property will be remodeled and converted into a club house, according to Ezra. He said the developers intend to build the swimming pool on property immediately adjacent to the club house. He added that at the present time there are no plans for additional outdoor recreation or park development.

Ezra pointed out that Smith specifically stated "that this development is for the exclusive use of Los Ranchitos residents."

The swimming pool and clubhouse will be located at the intersection, of Mayhews Landing Road and Dairy-Lincoln Road, directly across from the property on which Smith-Peters have proposed to build a shopping center.

The two recreation facilities will require approximately one-half acre of land and will be turned over to the club as a gift from the developers, said Ezra.

The Basic Idea Behind the All-New 1955 PONTIAC

On Display October 29 and 30

ABOUT 30 years ago General Motors Corporation presented to America a new car called Pontiac. This new car was the direct result of a very specific idea.

The idea was this: to create a car which took its style, its engineering principles and its features from the very best and most expensive in America—and to build these into a car priced just above the very lowest!

Naturally, such an idea produced a wonderful and highly popular car—a car which millions of satisfied owners have driven with outstanding pride and pleasure.

Now, nearly three decades later, an entirely new Pontiac has been created for 1955—a car completely new from the ground up!

One thing, however, about the 1955 Pontiac remains unchanged—its basic idea—to offer the American public the very finest car that can possibly be built to sell at a price within easy reach of any new-car buyer.

When you see the new Pontiac on Friday or Saturday—Oct. 29 or 30—you will be immediately impressed by its remarkable new styling. No other car in the world looks like this new Pontiac!

When you drive it you will be astonished at its performance. For the 1955 Pontiac introduces the powerful new Strato-Streak V-8, an all-new engine that has already been proved in more than 3 million test miles!

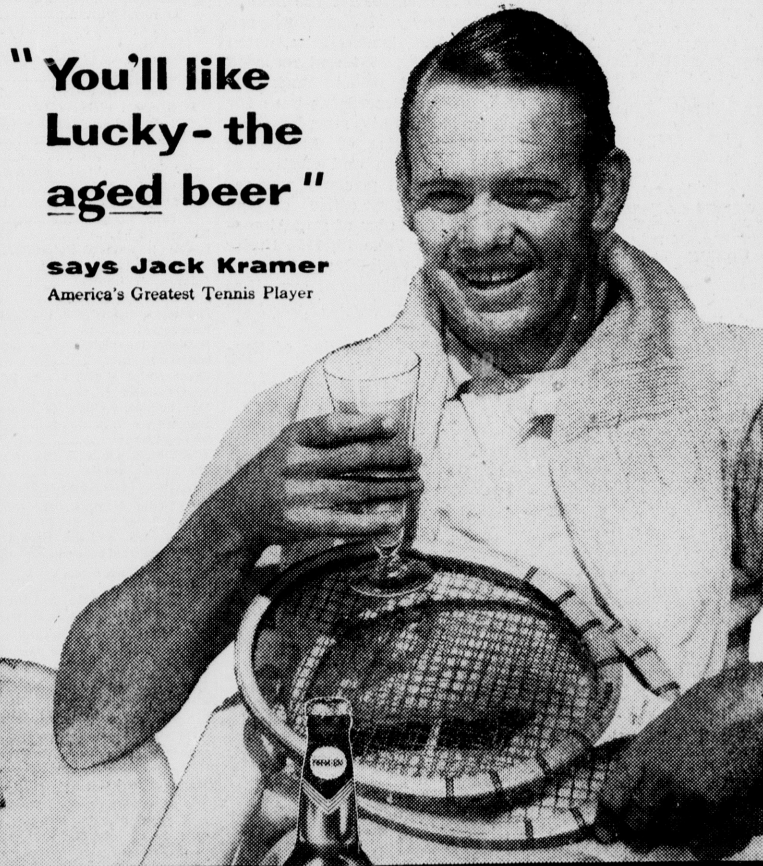

When you price the new Pontiac you will come face to face with the basic Pontiac idea—you will be agreeably surprised that so much car, so much sparkling newness, so much luxury, so much downright goodness can be priced so near the very lowest.

We cordially invite you to come in on Friday or Saturday and see for yourself what a superb all-new General Motors masterpiece has been created to carry the wonderful name "Pontiac" for 1955.

CAROLLING AROUND NEWARK

JEANNE & GENE CARROLL
NEWARK 3-3564

Around Town — We had an interesting chat with Harry Goodridge, Sanitary District Engineer, on the site of the pipe-line installation (one of them) as we tried our hand at "sidewalk superintending" last week.

The P and E Construction Company is way ahead of schedule, laying the sewer pipe which will stretch from Decoto to the Newark treatment plant. Up to last Tuesday the Company had used up only 8 percent of its contract time but had laid 16 percent of the pipe at a cost of 21 percent of allotted money, according to Goodridge. The reason such a high percentage of money has been used in comparison with the amount of the job completed is because the job was started on the Newark end where the largest (21-and 15-inch) and most costly pipe was used.

Another interesting figure supplied by Goodridge was that the P and E had laid 2000 feet of pipe on Monday. To travel such a distance requires the job to be split into 3 or 4 sections with crews and equipment "leapfrogging" after joining the sections. With the work progressing so rapidly, it is a good bet that they can beat the heavy rains. It will be interesting to watch their progress along Decoto Road.

One war, during a discussion about the merits of decentralizing downtown businesses by building several smaller "shopping centers," commented that what Washington Township needs is to be de-Centerville.

If you need some fertilizer of the ground-breaking type to use in your flower beds, around hedges and trees it is available FREE... the Union Sanitary District gives the dried sludge or residue from the sewage treatment plant in Newark to anyone who will come and pick it up... there is lots of it available... call Newark 3-3566 to find out when the plant is open.

Last week Newark's Chamber of Commerce went on record asking the State Department of Education to consider building a state college in the Hayward area. This resolution, which came from the Alameda County Associated Chambers of Commerce, was acted upon at the right time.

San Jose State is bursting at the seams and turning students away. Alameda County is without a state college and it is time one was located in the county. Southern Alameda County or Hayward area, if you prefer, seems a logical place to locate the next college. Now is the time for the State to purchase a large site which would have plenty of room for expansion to keep up with the expected steady increase in enrollment, while it is available at a reasonable price.

The thought of a State College in Washington Township is intriguing.

Skip Lacey, son of Mr. and Mrs. Herb Lacey, celebrated his eighth birthday on Saturday, October 9 with a whole gang of his young friends joining him for an afternoon of games and raids on the refreshments. His guests included: Johnny Binder, Andy Ppist, Terry Kraft, Bobby Richards, Davey Freitas Jr., Allan Millan, Jeffrey Freitas, David Thiessen, Vicky Popst, Taffy Freitas, Diana and Mary Kay Millan, Paulette Snowden, Deborah McNeive, Joan Freitas and his sister, Christine. Adults joining the party included his grandmother, Mrs. Catherine Freitas, Thelma McNeive, Norma Jean Freitas and Eleanor Millan.

The Sew Happy club (these gals keep things in stitches) met last Wednesday at the home of Jacqueline Hess and this meeting turned out to be a shower for one of their "expectant" members, Frances De La Cruz.

Members showering her with lovely gifts for her anticipated arrival included: Ina Velasco, Evelyn Jensen, Mary Davis, Jean Richards, Dorothy Boone, Jean Di Maggio and Barbara Elcher.

The Ed Maughans enjoyed the pleasure of entertaining Mr. and Mrs. Onder Mayes and children from Lovell, Wyoming, for a four-day visit. The two ladies of the families are sisters, they grew up as Burma and Effie Averett back in Lovell.

and after a seven-year separation it took four days to wind down their motors.

Dick and Fran Lynch enjoyed the company of Fran's aunt, Mrs. Harriet Decker of Huntington Beach, for a few days' visit as Mrs. Decker was on her way home from Oregon.

John and Louella Kellerman were hosts for a Sunday birthday dinner given in the patio of their home. The dinner served to honor Mrs. Clara Kellerman of San Jose, who of course was escorted by her husband, Henry.

Also attending were: Mr. and Mrs. Joe Pendergraft, Wanda Lee, and Rhona; Mr. and Mrs. Scott Kellerman of San Jose; Mr. and Mrs. Ray Parades, Linda and Sharon, of Hayward; Mr. and Mrs. Richard Plummer and son Stevie of Santa Rosa; and Louis Kellerman. Mrs. Patricia Phippen and children, Tommy, Jennie, Donny and Kay joined the party later.

David Freitas has been in Peralta Hospital, Oakland for about three weeks and after his back was kept in traction for over a week an operation was performed to correct the injury. That was on the 12th and we hope he is home and on the road to recovery.

We knew it would be so, and shonuff it will. We mean the Halloween night activities. Clubs in Newark always seem able to get together (this town is loaded with cooperators) when a project like this is proposed. The Rec department, the Women's Improvement Club, Cub Scout mothers, Chamber of Commerce, Kiwanis, and just about everybody is cooperating financially and physically to help make this a great Halloween for the kids (6 months to sixty years) who can let off steam during the parade and at the parties following the parade.

Shortie greetings coming over the wire, have birthdays... to Nancy Kettman who was celebrating her ninth on Monday... to Nancy Soito who should be finding something special today... to Dale Bohannon who will be celebrating No. 7 on Friday... to Louis Milani who will rent a "wind machine" tomorrow... to Carol Ann Rodriguez as she celebrates her ninth on Sunday... to Leroy Springer, pardon us, Corporal Leroy Springer who celebrated his 21st birthday last Tuesday back in Detroit where he is stationed at Fort Wayne. That pencil sketch you sent your mother was sure welcome and a good likeness.

Mr. and Mrs. Joe Kounovsky enjoyed having their nephew, William Harms of Fremont, Nebraska as a guest for a ten day visit. Bill also visited another aunt, Mrs. Gesina Beyerle here in town.

Emma Dias and Mildred Guido went on a hunting expedition into the wilds of brick and stone in Oakland last Monday in between visits with friends in the vicinity.

Feel like dancing? come out to the Community Center Saturday night... it's free and it's fun and refreshments too... for an evening like this you can afford a baby sitter... the regular Thursday night dancing couples will be your hosts and hostesses... Mrs. Ruth Foster, Rec' dance instructor, will be there to help with the square and rounds... so come around Saturday, October 23 at 8:30 and dance, dance, dance and eat... for free.

Paul Wilson celebrated his fourteenth birthday with a group of young friends & son the 2nd and they all went on a scavenger hunt to provide the excitement.

The Fraternity of St. Ann will hold its monthly business and social meeting Wednesday, October 27 at the Youth Center on Ash Street. Catherine Sammon will be social chairman with the following committee: Edith Roderick, Mary A. Rose, Jean Runnels, Charlotte Sarmiento, Constance Silva, Mary B. Silva and Ernestine Malone.

L. M. and Bonnie Potts celebrated their 19th wedding on Monday, October 18.

Delmer and Frances Jones celebrated the 13th anniversary of their "I do-ing" on Tuesday, October 19.

Pity poor Joe & Marilyn, after only 9 months they were celebrating their un-doing. It just goes to show that Newark

AROUND NEWARK

couples get tied with a square knot, not a slip knot.

The Knights of Pythias enjoyed their annual barbecue last Sunday at the home of Mrs. Patricia Phippen. Bob Lunsford was barbecue chairman and the Pythian families said "fine job Bob," as they completed the day.

Mrs. Ruby Alberts was a very excited lady the evening she answered the phone and heard the operator say "Hawaii calling" person to person from her son Albert... "Hello mom! Happy Birthday." He also sent her a box of gorgeous Denrobium orchid blooms, the No. 1 orchid from an island famed for the bloom. Mrs. Alberts proudly displayed her treasured gift before the Santa Clara and Watsonville Orchid Societies.

The Improvement Club Whist will be held tomorrow night at the school. Mrs. Robert Milan, chairman, is looking forward to greeting a crowd of enthusiastic players. Whist is a game where beginners have as much chance as the so-called experts, so even if you have never played come out and try your luck, said Mrs. Milan.

Bikes and cars are wonderful inventions but they don't mix well. Joe Brazil of Hayward driving home from work at Morton Salt and Dennis Jones, 10, cycling home from school collided last Monday on Sycamore Street. Brazil picked young Dennis up and rushed him to the doctor, first stopping for Mrs. Jones enroute, where Dennis was found to have a broken arm, a severe cut on his leg plus a series of bumps and bruises to be kept under observation. He didn't require hospitalization; thank goodness it wasn't that serious.

Bobby Phippen celebrated his eighth birthday last Wednesday by inviting "the gang" over for cake and ice-cream. Enjoying the fun were Louie Caldwell, Billy Hoover, Kenneth Frias, Billy Steel, Jerry Vargas, Dennis Martin, Rickey Santos, Bobby Aganon, Rickey and Stephen Marshall, Danny Barao, Anthony Madieros. The party was supervised by his mother Dorothy Phippen and his sister Marlene and grown up well wishers were Mrs. Josephine Foley and daughter Cathy, Mr. and Mrs. Ernest Marshall. Bobby's birthday was complete with the arrival of his grandparents Mr. and Mrs. Joe Faria of San Jose that evening.

Andrew and Alice Anderson spread a fluffy pink welcome mat to show their precious new daughter, Karen Lynn, that her arrival at Alameda Hospital on Thursday, October 14 was just what the doctor ordered. Karen weighed 6 pounds and 15 ounces but she looked so tiny to her big brothers, Keith and Andrew Jr. Derrel and Margaret Stovall are cradling their first baby in their arms and counting their blessing as they admire tiny Georgann Lucille, six pounds, eight ounces of sweetness who arrived at Palo Alto Hospital on Monday, October 11.

Elroy and Joan Ramirez hosted a family and friends party to celebrate the October birthdays of their three children. Christopher was one on the 3rd, Linda was six on the 5th and Ronald will be seven on the 29th so mom and dad saw that they had one big celebration together.

Their guests included: Mr. and Mrs. James Walker and Jan; Mr. and Mrs. Ronald Vidal, Mary and Ronnie; Mr. and Mrs. Earl Boccacci, Cathy, Susan, and Dennis; Mr. and Mrs. Hal Brandon, Bobby and Gene; Mr. and Mrs. Robert Ramirez, Bobby, Sandra and Elaine; Mrs. Louis Alvarado, Freida and Rudy; Mr. and Mrs. Ernest Hermosa, Dennis and Wayne.

The Smoke-Em-Uppers are back in town cleaning their trusty rifles after a week in Nevada drawing beads on the finest bucks in the land. Louie Caldeira, Joe Caldeira, Joe Milani, Gene Savaria, Manuel Homen Sr. and Joe L. Martin are the lucky ones and we are getting the sniffles trying to get a whiff of those venison steak barBQs.

The family of Mrs. Nora Springer, Ponca, Oklahoma wish to thank friends and relatives for all cards, flowers and expression of sympathy at their time of sorrow. Mr. and Mrs. Roy Springer and family of Newark.

CARD OF THANKS
The family of Mrs. Nora Springer, Ponca, Oklahoma wish to thank friends and relatives for all cards, flowers and expression of sympathy at their time of sorrow. Mr. and Mrs. Roy Springer and family of Newark.

CENTERVILLE NEWS

By Irene Mendonca

A meeting was held for the purpose of organizing a PTA at the Allen G. Norris school on October 12. Representing Phoebe A. Hearst Council were Mrs. Harry Leventhal, extension chairman; Mrs. Raymond Rodrigues, Treasurer; and Mrs. Gordon Peterson, 16th District extension chairman. Mrs. John Silva, president of the Main St. school and her staff of officers were on hand to assist.

Mrs. Wilma Peters was elected temporary chairman. A nominating committee consisting of Mrs. Marjorie Batzer, Mrs. Norma Manuel, Mrs. Virginia Musgrove, Mrs. Rayellen Williams and Mrs. Ruth Woodward were selected to choose a slate of officers to be voted on at the next meeting of the group on November 3rd at 8:00 p.m. at the A. G. Norris Cafeteria. Doughnuts and coffee were served by the Main St. PTA headed by Mrs. Ted Ebbage, hospitality chairman.

A pot-luck supper will be held at the Main St. Cafeteria by the Centerville Elementary PTA on Tuesday, October 26, at 6:00 p.m. Each family is asked to bring a hot dish, salad or dessert. Coffee and hot rolls will be furnished by Mrs. Ted Ebbage's hospitality committee. A short business meeting will follow, while children are entertained at a movie.

Sunday dinner guests at the home of your reporter and family were Mr. and Mrs. Larry

LEGAL NOTICE

NOTICE TO BIDDERS
NOTICE IS HEREBY GIVEN that the Board of Trustees of Newark School District of Alameda County, California, hereby calls for sealed proposals to be delivered to the Clerk of said Board at the office of the District Superintendent in the Newark School Building, located at 680 Cherry Road, P.O. Box 176, Newark, California, until November 9, 1954 at 8:00 P.M., at which time and place said bids will be opened for reading one (1) new, seventy-nine (79) passenger, transit type, school bus, and for purchasing one (1) used school bus from said district.

Each bidder shall agree in his bid to grant to said school district the options to extend said lease and the option to purchase said bus as is more fully described in the specifications and proposal form on file with said Board of Trustees.

Each bidder for the leasing of the new school bus to said district shall agree in his bid to purchase and remove from said Newark School grounds, hereinabove mentioned, that certain used school bus belonging to said district and more particularly described in the specifications, which is being disposed of, and shall state in his bid for leasing the new school bus the amount which he will apply toward the rental of the new bus as the purchase price of said used school bus being purchased from said district, provided, however, the Board of Trustees reserves the right to accept the lowest responsible bid for leasing a new school bus and to reject any and all bids for the purchase of said used school bus, if the bids received for the purchase of said used school bus are not satisfactory to said Board of Trustees, and provided further that the Board of Trustees reserves the right in addition to reject any and all bids for the leasing of said new school bus, if the Board of Trustees determines to accept one of the bids for the purchase of the used school bus the contract awarded will be awarded to the bidder whose net bid for leasing the new school bus is the lowest after deducting the amount bid for the purchase of said used school bus and whose bid for selling the new bus to the district under the option to purchase the bus is also the lowest, provided said bidder is a responsible bidder and the new school bus which he offers to furnish complies with the specifications. All bidders must bid on leasing the new school bus and on purchasing the used school bus.

These bids shall be presented in accordance with the specifications which are on file with said Board of Trustees at its office located as hereinabove mentioned.

All bids must be on proposals obtained from said office of the District Superintendent, and must be filed by the bidder and accompanied by a check certified without qualification by some responsible bank or banker and made payable to the Newark School District of Alameda County to be retained by said district as agreed and liquidated damages should the party or parties to whom the contract is awarded fail to enter into the contract after the award or to give the bond required for the faithful performance of the contract. The amount of said check shall be for Five Hundred Dollars (\$500.00).

By order of the Board of Trustees, October 18, 1954
J. A. ROBERTSON
Clerk of the Board of Trustees of Newark School District of Alameda County, State of California.

127—Oct. 21, 28.

CENTERVILLE

Cunha and children of Campbell.

On September 20 a new arrival was added to the Mel Nunes family on Dondero Way. Born at the San Jose hospital was a baby girl, named Patricia. The christening took place on the 3rd of October at the Holy Ghost Church in Centerville. God-parents were her aunt and uncle, Mr. and Mrs. Hubert Jacinto, of Pine Street.

Following the christening a barbecue was served at the home of Mr. and Mrs. Pete Nunes on Main Street. Members of the immediate family were present. Both Mr. and Mrs. Mel Nunes and daughter recently arrived by plane from Knoxville, Tenn., where they spent six months. Mel played professional baseball with the Knoxville Smokies. They are now settled in their home in Centerville and Mel is back at work with Montgomery Ward in Oakland, where he has been employed for several years.

Guests at the christening were, Mr. and Mrs. Hubert Jacinto and Wayne, Mr. and Mrs. Pete Nunes, grandparents; Mrs. Rita Oliveria and Mrs. Mary Nunes, both great-grandmothers; Mrs. Isabelle Menezes, grandmother; Alice Menezes, and

In the evening Mr. and Mrs.

CENTERVILLE

Joe Kameronski of Oakland visited with the family.

Mr. and Mrs. Ed Belz of Thornton Avenue entertained friends with a party in their patio on Sunday evening. Barbecued chicken was served. Guests were Mr. and Mrs. Harry Cohen of San Francisco, Mr. and Mrs. Ed Agna, Thornton Avenue, Marie Silva, and Mr. L. Lewis of San Leandro. The evening was spent watching television.

The annual Luncheon given by the Altar Society of the Holy Ghost was held on October 12 at the International Kitchen. Father Vincent Breen was guest speaker for the occasion. Chairmen for the successful affair were Mrs. Angie

CENTERVILLE

Furtado, Mrs. Marie Duarte, and Mrs. Elie Amaral.

Best wishes to Danny Silveria, son of Mr. and Mrs. Rufus Silveria, Fremont Avenue, who was 10 years old October 14.

Decoto Kids Top Crusade Rally

Decoto's school Drum & Bugle Corps led the United Crusade parade in Oakland Monday.

The 39-piece student aggregation, directed by Miss Phyllis E. Hanson, later was honored by Crusade officials at a luncheon in Hotel Lake Merritt.

COMPLETE LINE OF
HOTPOINT APPLIANCES

The Electric Industry Celebrates

LIGHT'S DIAMOND JUBILEE

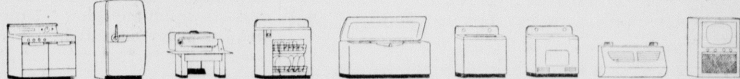

and invites you to get in on a big bonanza drawing!

\$20,000 FREE
in appliances
to P.G. and E. customers

HERE'S YOUR CHANCE TO WIN

Big first prize—A COMPLETE ELECTRIC KITCHEN-FUL OF APPLIANCES! Every appliance you need for an all-electric kitchen. Electric range, refrigerator, dishwasher, garbage disposer, toaster, coffeemaker, mixer, and liquefier-blender!

For the next thirty-five lucky winners — your choice of the appliance you want most... each up to \$500 in value!

Or—you may be one of the 5,000 winners to receive a free Jubilee Light Bulb (200-watt)

NOTHING TO BUY • NOTHING TO WRITE • no obligation

Open only to P.G. and E. customers • A DRAWING PICKS THE WINNERS!

It's the 75th anniversary of Edison's invention of the electric light, and during October, all America is honoring his invention—with Light's Diamond Jubilee. The Northern California Electrical Bureau and P. G. and E. invite you to join the celebration... by sharing in this big bonanza give-away—\$20,000 worth of wonderful electric appliances! Just fill in this simple coupon and deposit it with any appliance dealer displaying the prize drawing sign. The dealer will help you select the appliance you want most to win, and will give you the model number. This appliance offer is sponsored by the electric industry, through the Northern California Electrical Bureau.

How to enter

1. Take entry blank to any appliance dealer displaying prize drawing sign.
2. Select electric appliance you'd like to win from official list of brands at appliance stores. Enter make and model number on entry blank.
3. Deposit completed entry with the dealer between October 18-30, 1954.

Winners selected in impartial drawing conducted by Northern California Electrical Bureau. Appliances delivered free to winners' homes, fully guaranteed. (Installation not included.)

List of prizes and complete official rules available at participating dealers and P. G. and E. offices.

Free drawing closes OCTOBER 30 • ENTER NOW!

SAN FRANCISCO 24

ADLAI'S VIEW

Speaking in San Francisco, Adlai Stevenson belittled the Eisenhower Administration's accomplishments in typical Stevenson fashion. Yet Americans who listened to, or read about the President's radio speech had a ready-made answer for the Democratic candidate.

In less than two years, a disastrous war in Korea has been stopped, inflation curbed and taxes reduced, Communist sympathizers and corrupt bureaucrats exposed and expelled from government, confidence restored in our national leadership.

Adlai harped again on the McCarthy issue — the tail is wagging the dog and the President is afraid to yank the tail, he said. The answer to that is, what has happened to McCarthy? Without making a national hullabaloo about it, Mr. Eisenhower quietly pulled the rug out from under Joe, pushing him into the background, making him a dead issue. Seems like Mr. Stevenson's harp has a few sagging strings.

BALLOT PROPOSALS—OUR SUGGESTIONS

At each State election, a hatful of proposals for governmental changes faces the busy voter. After studying the current crop of 20 proposals, and reading the recommendations of the Commonwealth Club, a non-partisan organization which specializes in such knotty problems, the NEWS-REGISTER offers the following suggestions for the guidance of ballot-markers:

Proposition 1: Another \$175,000,000 bond issue for veterans' loans on homes and farms. Since 1921, \$500,000,000 has been loaned without costing taxpayers a cent. Vets are good risks. Recommendation: YES.

Prop. 2: \$100,000,000 in State bonds for aid to needy school districts. Today 164,545 students in California are on half-day sessions, due to lack of housing in schools. Local property taxes cannot finance so many more schools. YES.

Prop. 3: Removes liquor enforcement and licensing from State Board of Equalization, shifts control to new State department responsible to Legislature and Governor. Present enforcement set-up is a scandal. YES.

Prop. 4: Latest in series of measures proposed by Pension Promoter George McLain. Would raise aged-aid payments from \$80 to \$100 per month. Creates priority claim on State funds — ahead of, for instance, school funds. Violates principle that welfare needs can best be met through periodic adjustment by Legislature, which can weigh the relative needs of all categories of aid. NO.

Prop. 5: Extends 40-year-old tax exemption on ocean-going vessels registered in California. Lets State compete with others for maritime trade. YES.

Prop. 6: Raises pay of Assemblymen and Senators from \$300 to \$500 a month. Needed to attract better legislators. (Alameda Supervisors get \$600.) Total cost, \$288,000. YES.

Prop. 7: Land titles law made subject to amendment. YES.

Prop. 8: Exempts tuna boats from taxes. NO.

Prop. 9: Extends tax exemption on church property to include land when buildings under construction. Plugs legal loophole in 1952 amendment approved by voters. YES.

Prop. 10: Would set 4-year terms for Assemblymen, 6-year terms for Senators, and limit governors to two 4-year terms. Some of the provisions of this amendment are good, but others are questionable, and all three issues should be voted on separately. NO.

Prop. 11: Tax exemption of \$5000 for disabled veterans. YES.

Prop. 12: Loosens law denying right to vote or hold office to convicted felons. Procedure now exists for convict to regain rights on selective basis. NO.

Prop. 13: Allows industrial City of Vernon, near Los Angeles, to obtain special charter, although it has only 110 voters. Bad precedent. NO.

Prop. 14: Extends tax exemptions to college land on which buildings are being constructed. See Prop. 9. YES.

Prop. 15: Extends land tax exemption to religious orders, hospitals and charitable institutions to include buildings under construction. See Props. 9 and 14. YES.

Prop. 16: Would make the federal government conform to State water laws in acquiring future properties in California. Doubtful it could be enforced. NO.

Prop. 17: Allows State gas-tax highway funds to be spent for developing offstreet parking. Local interests should provide parking. Highway needs will consume all available funds for years. NO.

Prop. 18: Broadens provisions of resident-non citizen laws. Allows, for example, Japanese or Chinese aliens to own everything except real-estate, rights which were taken from them in 1894. YES.

Prop. 19: Allows justices who aren't lawyers to retain bench jobs if their jurisdictions become municipal courts. YES.

Prop. 20: Drawing county charters. Incorrectly worded, legally questionable. NO.

The Editor's Corner

By STUART NIXON

THE NEWS-REGISTER is still getting compliments over its full-coverage, 24-page introductory edition. If you're interested in statistics, 15 people in our plant worked more than 680 hours on it, not counting the work put in by the regular columnists, special writers, etc. It took almost two tons of paper, several gallons of ink, and a Texas fifth of blood, sweat and tears to turn it out. But when folks call you up, write notes, and send in subscriptions on the strength of the paper, the gang and I know the effort was worth it.

Aside from the staff, grateful thanks are in order to so many Townshippers who gave us: Manuel Lewis and the boys and gals in the Centerville Postoffice, all the other postmasters too; they made special arrangements to handle the big mailing. Not forgetting Elmer Marks and Dick Nicklas-son at Niles Machine & Tool who whopped up new parts or repaired old ones when the press got cranky.

Oh yes, how did you enjoy the Los Angeles television programs? They mail those things out of the South, and last week they goofed and put the wrong one in our envelope. This is the first time it's happened in more than a year of the programs, and naturally nobody here read the fine print and caught it. Back on the ball this week.

This is au revoir to an institution: Tina Costa. Tina kept the NEWS going for years, though her health wasn't of the best. Now she says she's worked long enough — she's going to retire and travel. The office gang gave a little sendoff for her last Friday. "I just wanted to see you safe into the new building," said Tina, her mouth full of cake.

It looked like opening night at the opera last Thursday when two supermarkets flung wide their doors. At U-SAVE (three searchlights, Max Baer) promoters I talked to included those pretty sisters, Mrs. Clem Seecda and Mrs. Ray Bettencourt. A little later at Orchard Park (one searchlight, Cottonseed Clark) there they were again. "We don't want to miss anything," Laura and her sister admitted.

WISH I HAD... the foresight and conviction of Laura Thane Whipple... the winning personality of Safeway's Jim Browne... the energy and ambition of Newark Pharmacy's Walt Haller... Chuck Kraft's gentle wit.

Tipoff: Watch for Clarence Graham to open something big on the Palo Alto side. Clarence is no longer with the stove works his family owned for so many years before selling to Rheem.

NIGHTMARE: The rush-hour traffic jam on Highway 17 at Machado's Corners. They're fixing the road, and it backs cars up to Centerville and Alvarado.

Fred Richardson has been ousted out of his chicken-coop into the contractor's shed while waiting for his branch office to be finished at Berkeley Savings, in Centerville. Fred is our most prominent DP at the moment.

While it's still football season, ponder the case of Ralph Goodwin, who hasn't missed a Husky home game in how many years?

Also the case of Mrs. Evelyn Perkins, who trod on a rose-petal in her kitchen last week, slipped and broke her right arm. Why newsworthy? — only that Mr. Perkins happens to be just about America's biggest rose grower.

Oh yes, whatever happened to the blood-donor program?

SUZY SEZ...

I don't think much of the woman who quizzes her neighbor's children on family doings; afraid she'll miss some gossip!

How about the fellow who calls it a "two man saw", but it's always his wife at the other end!

My spies tell me that almost every Township P. T. A. should see to it that the officers speak more clearly, and worry less about Roberts Rules of Order.

A Newark mother says one advantage of being an old married woman is that she and her husband can eat without conversation when in public, and really enjoy their food.

I wonder who it was that lost in that group of Township business men I spotted matching pennies in front of a restaurant.

Most surprised youngster in the state was that boy who tried to blow out the flame on his father's new windproof lighter.

A Centerville lady who helps her husband working on the family car suggests that you put some Vaseline on your hands before doing greasy work.

I felt like a real country cousin at the market opening last week when I spotted some of the expensively-gowned females attending. It that the only place they get to wear brocade and satin?

This may be known as the year of the pink car, just as last year lavender was the rage. Wanna bet next year it'll be fuchsia?

Say, aren't the grocery stores now becoming more like the general stores of old, with a bit of everything imaginable on sale?

I can't agree with those household hunters who say that good silver should be used daily and it won't tarnish. Mine does.

I happened to see an Irvington man ironing, and later at a meeting, his shirt was really done quite well.

Only a week left to get your trick-or-treat candy!

I hope you have been saving your papers for the current paper drives; this week there's one in Centerville.

It seems that many Township families aren't acquainted with their neighbors, from the guest lists at parties.

When I visited a Township office it didn't worry me that no one was there. The Secretary's shoes were, and how far can you go in stocking feet?

After the uproar in Newark when the shopping center was proposed, I fail to see why some folks complain about a filling station being built in the center of town. The opposition would have discouraged anyone.

Shades of the past! I mean the sign directing by-passers to the non-existent constable and courthouse offices, on North Main, Centerville.

Speaking of Centerville, what about those homes being started on Central, in a so-called industrial area?

So long...

Ritchie Names Local Aides

Jess M. Ritchie, Eighth District candidate for Congress, has announced appointment of a committee of South County leaders to work for his election.

Jack Parry of Niles is heading the group as Chairman of the Ritchie for Congress Committee in Washington Township. A. E. "Tony" Alameda is chairman of South County Farmers.

Local committee chairmen are Lee Williams and Ellsworth Finley, Centerville; Jack Craig, Triv Vargas and Leonard Rose, Warm Springs; Vernon Ellis, Niles; Wallace Pond, Irvington; John R. Kent, Hillview Crest, and Janet Granger, Decoto.

Ritchie is touring Southern Alameda County this week. He appeared in Irvington and Niles Tuesday morning, and lunched with Irvington Chamber of Commerce.

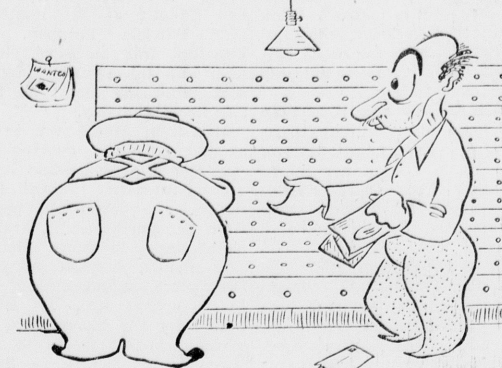

Ritchie also appeared at a general South County "Command Post Conference" at the home of Bruce Michael in Warm Springs Tuesday evening.
